

**City of Providence**  
**Department of Public Works**

**E-Waste**

Waste Management will also pick up unwanted e-waste such as computers, monitors, mouse pointers, hard drives, modems, scanners, laptops, printers, and televisions. Residents may also dispose of their e-waste in specially designated “e-waste PODS” located in the parking lot of Public Works at 700 Allens Avenue during regular business hours. *State law prohibits the disposal of e-waste in trash.* For more information about e-waste drop-offs and e-waste collection events around the state, please visit:
