**Subject:** Narragansett "Improvement" petition  
**Date:** Tuesday, October 12, 2021 10:14:11 AM

---

As a resident living only 2 miles from Narragansett "Improvement" Co on Allen's Ave, I strongly object to their continued use of waterfront property to store highway waste. The Company, which is currently in violation of the law, must move and stop polluting and ruining the waterfront. Please do NOT let them continue to sully our waterfront and misuse this land. To allow their petition would harm the waterfront and the residents. Please stop this outrage.

Thank you.

Karen Davidson
