Subject: Zoning Board of Review Meeting Re: 8 Gotham Ct. & 283 Carpenter Street

Hi Alexis,

My name is George Murphy and I own the property at 269 Carpenter Street.

With regards to the above request I am opposed to it. First and foremost there has been anti social behavior at those locations involving drug activity. My own tenants have expressed concerns also.

I see no benefit to the neighborhood in allowing this to go ahead with increased traffic and the potential for future issues in this dead end laneway.

Regards,
George Murphy

PS - I will most likely connect to the meeting.
