| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall deductible?                                      | For In Network providers \$200 for an individual plan / \$200 per member (maximum of 3 members) for a family plan. For Out-of-Network providers \$200 for an individual plan / \$200 per member (maximum of 3 members) for a family plan combined with in-network deductible. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible  |
| Are there services covered before you meet your deductible?          | Yes. Doesn't apply to services with a fixed dollar copay  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.  |
| Are there other deductibles for specific services?                   | No.   | You don't have to meet <u>deductibles</u> for specific services  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For Out-of-Network providers \$2000 for an individual plan / \$2000 per member (maximum of 3 members) for a family plan.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, balance-billed charges, health care this plan doesn't cover, fixed dollar copays, deductible, infertility services, rehabilitative and habilitative services and durable medical equipment.   | Even though you pay these expenses, they don't count toward the <a href="out-of-pocket limit">out-of-pocket limit</a> .  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.BCBSRl.com">www.BCBSRl.com</a> or by calling 1-800-639-2227 or (401) 459-5000 for a list of <a href="https://network.providers">network providers</a> .   | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the specialist you choose without a referral.  |
