Important Questions	Answers	Why this Matters:
What is the overall deductible?	For Out-of-Network providers \$100 for an individual plan / \$100 per member (maximum of 3 members) for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Doesn't apply to services with a fixed dollar copay.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No	You don't have to meet deductible for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For Out-of-Network providers \$1000 / \$1000 per member (maximum of 3 members) for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, health care this plan doesn't cover, fixed dollar copays, deductible, infertility services, rehabilitative and habilitative services and durable medical equipment.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.BCBSRI.com or call 1-800-639-2227 or (401) 459-5000 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.

• All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
