WHY SPONSOR?

Join us to celebrate the Inaugural Rhode to Championships Fundraiser: A Fundraising Celebration Supporting Providence Youth Athletic Organizations. The City of Providence is fortunate to have numerous youth athletic organizations that strive for excellence and inspire our youth to achieve their goals alongside their peers. Youth athletics provide many children with an outlet to express themselves and develop skills such as teamwork, determination and physical wellness. Annually, teams find themselves advancing to national championships but unable to financially send youth and families to respective competitions. Finances should not keep young people from advancing to the national stage. In an effort to best support these organizations, this fundraiser will provide resources to send our youth to travel nationally to championship games. ALL funds raised will help support the youth of Providence.
