

**2020 WORKFORCE INVESTMENT & OPPORTUNITES ACT (WIOA)
COMPREHENSIVE YOUTH PROGRAM RFP
ADDENDUM #1 issued January 13, 2020**

The RFP, at the bottom of page 21, states:

**A MINIMUM OF 75% OF THE FUNDS PROPOSED AND SPENT THROUGH THIS RFP MUST
SERVE YOUTH MEETING THE ELIGIBILITY REQUIREMENTS FOR OUT-OF-SCHOOL YOUTH**

And, the original budget form states that a minimum of 75% of every budget submitted must cover out of school youth:

WIOA YOUTH COMPREHENSIVE PROGRAM BUDGET PROGRAM YEAR BUDGET				
NAME				
TOTAL REQUEST	\$0.00			
PROGRAM YEAR	\$0.00			
FOLLOW-UP YEAR	\$0.00			
I. FUNDS REQUESTED			No more than 25% of request funds	No less than 75% of request funds
CATEGORY	BASIS	AMOUNT	IN SCHOOL	OUT-OF-SCHOOL

THE RFP AND BUDGET ARE CLARIFIED and AMENDED AS FOLLOWS:

It is still true that a minimum of 75% of the funds for this RFP must be spent on Out-of-School Youth.

However, proposers may apply to do one of the following:

- 1) Serve eligible in-school youth only, in which case 100% of the budget will be for in-school youth.
- 2) Serve only out-of-school youth, in which 100% of the budget will be to serve out-of-school youth.
- 3) Serve both in-school youth and out-of-school youth, in which the 75%/25% cost split applies.

Therefore, the budget form has been revised as shown below. **The revised budget has been uploaded to the RFP web site and replaces the original budget form issued with this RFP.**
