# Executive Summary

## AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

### 1. Introduction

The 2019-2020 Action Plan represents the fifth and final year of the City of Providence's 2015-2019 Consolidated Plan. The Action Plan is the City of Providence's application for U.S. Department of Housing and Urban Development (HUD) Entitlement grants and identifies the proposed programs and projects to be funded during Federal Program Year 2019 (local FY2020). Four HUD entitlement grants **and one-time pandemic disaster relief grants** are covered in this Action Plan:

- Community Development Block Grant (CDBG): the primary goal of the CDBG program is the development of viable urban communities through improved living environments, expansion of economic opportunity, and provision and preservation of decent, affordable housing. Funds are intended to serve low- and moderate-income residents and neighborhoods.
- HOME Investment Partnership Program (HOME): the HOME program is dedicated to increasing the availability, as well as the access to, affordable housing for low-income households.
- Emergency Solutions Grant (ESG): The purpose of the ESG program is to assist individuals and families to gain housing (temporary and permanent) after experiencing a housing crisis or homelessness.
- Housing Opportunities for People with AIDS (HOPWA): HOPWA funds may be used for a wide range of housing and social services to benefit individuals living with HIV/AIDS and their families.
- **CDBG-CV: CDBG funds to prevent, prepare, and respond to the novel coronavirus pandemic.**
- **ESG-CV: Emergency Solutions Grant funds to provide enhanced supports, resources, and response to homeless or imminently homeless families and individuals during the pandemic.**
- **HOPWA-CV: Housing Opportunities for Persons with HIV/AIDS funding to provide services or supports to those living with HIV/AIDS during the coronavirus pandemic.**

The purpose of the Action Plan is to identify the City's housing, community, neighborhood, and economic development needs, prioritize those needs, and develop goals and strategies regarding how funding will be allocated to eligible housing and community development activities and priorities as described in the ConPlan. It is important to note that the City's ConPlan sets goals and strategies to be achieved over the 2015-2019 period and identifies a list of funding priorities. The ConPlan goals represent high priority needs for the City of Providence and serve as the basis for the PY 2019 programs and activities identified in this Action Plan.

The Con Plan goals are listed below in no particular order:

- Enhance the City's economic stability and prosperity by increasing opportunities for job readiness and investing in economic development programs.

- Strengthen neighborhoods by investing in the City's public infrastructure needs.
- Improve housing opportunities by creating and preserving affordable rental and homeowner housing.
- Assist individuals and families to stabilize in permanent housing after experiencing a housing crisis or homelessness by providing client-appropriate housing and supportive service solutions.
- Invest in community services and non-profits facilities that maximize impact by providing new or increased access to programs that serve highly vulnerable populations such as youths, seniors and food for insecure households.
- Meet the needs of persons with HIV/AIDS and their families through the provision of housing, health and supportive services.

## 2. Summarize the objectives and outcomes identified in the Plan

The City of Providence's housing and community needs were identified through a series of community meetings and outreach (including direct outreach to neighborhood and community centers, local CDCs, and other local service agencies) during its most recent Consolidated Planning process and this Year 5 Action Plan process. Data obtained from partner organizations, the US Census, HMIS, and other sources was also evaluated.

Additional outreach through public hearings was conducted as part of this Year 5 Action Plan Process. The needs identified below informed the development of goals and intended outcomes throughout the ConPlan Process; these identified needs inform the goals of Year 5.

### Housing Needs

**Housing Affordability:** Public outreach and data analyses strongly indicate that housing affordability and housing cost burden are a significant issue in Providence. Approximately 40% of renters and homeowners in the City pay more than 30% of their gross income on housing. Many residents fall within the low- and moderate-income brackets, and many homeowners continue to struggle to recover from the last recession.

**Sub-standard Housing Stock:** Deferred maintenance of a large portion of the City's housing stock (compounded by its age, a high number of absentee landlords, and a lack of resources for property owners to maintain their properties), affects the quality of housing within the City. Hundreds of properties within the City have been identified as vacant, abandoned, and blighted.

**Public Housing:** Providence Housing Authority is the sole agency in the City that provides public housing. Its portfolio consists of 2,601 units that serve 5,612 residents. It also provides housing assistance to 6,431 individuals as the contract administrator of Section 8 housing. Waiting lists for housing assistance or PHA units can currently run 2-5 years.

### Homeless Needs

**Homelessness:** To address identified issues surrounding the need for re-housing and supportive services, the City is focused on quickly responding to homelessness through rapid re-housing for those that fall into homelessness and the Housing First model of providing homeless individuals with permanent housing and the appropriate "wrap-around services" needed for them to regain stability and maintain their housing.

### Non-Homeless Special Needs

There are households throughout the City that have special needs unrelated to homelessness. Some of these population groups include the elderly and frail elderly; those living with some type of physical or cognitive disability; those living with HIV/AIDS and their families; persons with substance use disorders; persons with Severe Mental Illness (SMI) and Severe and Persistent Mental Illness (SPMI); and victims of domestic violence, dating violence, sexual assault, and stalking. These groups may face greater challenges than the general population due to their specific circumstances and the City's housing stock, particularly the large pools of homes in the City built before 1940, may not be suitable for households with special needs. In this Year 5 Action Plan, the City identifies that these groups require specialized social services and housing.

### Non Housing Community Development Needs

**Schools, Libraries, Parks, and Community Centers:** Due to aging facilities and finite tax resources, the City struggles to finance all of its public facility capital improvement needs. A consistent point highlighted throughout the community meetings was the condition of the City's school, library, and community facilities, as well as its parks.

These much-needed capital repairs were identified for financial assistance with 2019 CDBG funds.

## **3. Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

With the assistance of regional HUD staff, the City has been making consistent improvements to its performance, both in terms of impact as well as meeting all Federal documentation, reporting, and compliance requirements. At the same time, the Community Development staff has been working to bring greater rigor to the evaluation of requests for funding. The Division of Community Development, with active support of the Mayor's Office and the City Council, has sought to change the nature of CDBG investments away from a large number of small dollar grants of marginal and diminishing value, to a smaller number of larger grants to allow for more transformational place-based projects. The activities funded in this Year 5 Action Plan follow this investment strategy.

The City of Providence has a strong record of making a significant impact with CDBG, HOME, ESG, and HOPWA funds. A commitment of City resources is often the catalyst used by community-based organizations as the basis for their fundraising efforts and leverage private dollars for even greater impact. With the endorsement and financial commitment of the City, organizations are greatly strengthened in their ability to obtain donations from the community, foundations, the private sector, and to obtain gap financing.

#### **4. Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

As part of the Consolidated Plan process, information on the housing and community development needs of Providence citizens was gathered during eight "*Community Conversation*" meetings throughout the City during March and April of 2015. Further, in late-2014/early-2015, Mayor Elorza hosted four "One Providence" listening forums and established Transition Committees in the following areas: Economic Development; Education; Public Safety; City Services; Housing & Neighborhood Development; Arts, Culture, and Cuisine; Sustainability; Sports, Recreation, and Youth Programming; Ethics, Transparency, and Open Government; and Strategic Opportunities. Each of these Transition Committees hosted two or three City-wide community meetings and developed a final report containing a set of short-term and long-term recommendations for the Administration. Finally, in June and July of 2015, the City of Providence held a public meeting and afforded the public, community organizations, and other interested parties sufficient time to review and comment on the Consolidated Plan.

In preparation of this Year 5, PY19 Action Plan, the City of Providence held a public meeting on June 5, 2019, at 444 Westminster Street to afford the public, community organizations, and other interested parties ample time to review and comment on this Action Plan. A number of additional public hearings (City Council Committee on Urban Redevelopment, Renewal, and Planning) were held in March, April, and May, during which staff presented on the community development programs, presentations were heard from various organizations, and the public was offered the opportunity to comment.

Promotion for these community meetings was done through email, public postings, newspaper advertisements, and online social media (Twitter, Facebook). Generally speaking, the City's citizen participation process was robust and inclusive.

#### **5. Summary of public comments**

Some of the most important issues of concern and priority needs found during the ConPlan process included the cost of housing and the desire for more affordable housing; improvements to the City's education system; homelessness, good-paying jobs/economic development; better park maintenance; increased sports and recreation activities; rehabilitating low-quality, unsafe, and unhealthy housing; public safety; poverty; and social services for adults, seniors, and children. Residents also expressed concern over absentee landlords, insufficient housing code enforcement, need for down-payment

assistance, desire for improved collaboration between the City and local CDCs, better pedestrian and cyclist infrastructure, improving the condition of sidewalks and roads, urban farms, funding for senior activities, importance of youth development and afterschool and summer programs for youth, job training, facility improvements, the lack of rehabilitation services for ex-offenders and treatment for drug or alcohol addiction, condition of school facilities, storefront improvements, GED and adult education programs. These priority needs inform this Year 5 Action Plan. Additionally, during the 2019 program budget allocation process, verbal testimony heard during the URRP Committee meetings reinforced the information gleaned during the ConPlan process.

**6. Summary of comments or views not accepted and the reasons for not accepting them**

No formal public comments received.

**7. Summary**

The Action Plan that follows identifies 1) the community development goals that the City hopes to accomplish during the 2019-2020 year; and 2) the projects and activities to be funded with the intent to address these goals.

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(I)**

### **1. Introduction**

In preparation of the City's 2015-19 Five Year Consolidated Plan, the Division of Community Development hosted a series of community meetings throughout the City, held focus groups with Community Development Corporations and community centers, solicited public input through an online survey of community needs in English and Spanish, and reached out to individual community, civic, and business leaders in the City as part of a broad effort of community engagement and consultation.

As part of the appropriations process for the 2019 allocations, the Urban Redevelopment, Renewal, & Planning Committee (URRP), the City Council Committee responsible for evaluation and ratification of the CDBG, HOME, HOPWA, and ESG allocations, held 8 public meetings in March, April, and May 2019 to discuss applications and hear from organizations and the public regarding programs and services. A final public hearing was held on June 5, 2019 to offer the public an opportunity to comment on the draft Plan proposed prior to final submission to HUD.

The City of Providence, through the Division of Community Development, continues to consult with City Departments, nonprofit service agencies, Community and Housing Development Corporations, other State Agencies and Departments, City business owners, and the general public to discuss short-term and long-term housing and community development needs for the residents of Providence and strategies for meeting these needs. Throughout the implementation of the Consolidated Plan and its individual Annual Action Plans, the Division of Community Development will continue to encourage participation from the public and community organizations.

### **Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))**

The City's Department of Planning and Development (DPD) has regular contact with community residents, business owners, nonprofit organizations, service providers, as well as the beneficiaries of the programs administered by the Division of Community Development (DCD). This direct contact with the public and providers and agencies results in regular input regarding the needs of the community, allows for alignment with the City's overall goals, and assists in program development and implementation.

The DCD has periodic meetings or conversations with the Providence Housing Authority and the network of Community Development Corporations in the City to inform and coordinate on strategies related to public and affordable housing and community development. Similarly, the DCD hosts periodic meetings with community health centers, mental health centers, substance abuse programs, community centers, as well as service agencies to help inform on an ongoing basis the needs of the community.

The City's DCD also speaks periodically with various state agencies related to housing, health, and mental health, particularly the Office of Housing and Community Development in the State of Rhode Island Division of Planning, the Rhode Island Department of Behavioral Healthcare, Developmental Disabilities and Hospitals, and the Division of Elderly Affairs. Further, the City interacts with the Veterans Administration regarding veteran homelessness.

Providence is the only municipal member of the Rhode Island Alliance for Healthy Homes (RIAHH) Executive Steering Committee. RIAHH is a coalition launched in 2013 to raise awareness about the cost of unhealthy housing and align resources and services among city, state and community-based service organizations to improve the health, safety and energy efficiency of homes. This coalition is comprised of members from Brown University School of Public Health, RI Housing Resources Commission, RI Attorney General's Office, RI Department of Health, Rhode Island Housing, Rhode Island Department of Human Services, Rhode Island Office of Energy Resources, Green and Healthy Homes Initiative, Housing Works RI at Roger Williams University, the RI Center for Justice, National Grid, Blue Cross and Blue Shield of Rhode Island, and the Rhode Island Parent Information Network.

As part of the City's Lead Safe Providence Program, a comprehensive and cohesive strategy to coordinate lead hazard reduction with existing housing programs, a diverse partnership of lead hazard reduction, Healthy Homes, and weatherization organizations were brought together to support a single portal intake process for applicants, a comprehensive assessment model, and the creation of an integrated housing intervention strategy. Program partners include: Office of the Mayor, RI Department of Health, RI Office of Housing & Community Development, RI Housing Resources Commission, City of Providence Lead Housing Court, City of Providence Department of Inspections and Standards, RI Weatherization Assistance Program / Low Income Heating Assistance Program, National Grid, Community Action Partnership of Providence, Saint Joseph Hospital, Childhood Lead Action Project, Community College of Rhode Island, and the Coalition to End Childhood Lead Poisoning.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

The City of Providence is a full member of the State of Rhode Island's single Continuum of Care (RiCoC) and is a full member of the Consolidated Homeless Fund (CHF). The City continues to be an active participant in the review and allocation process through representation on applicable CoC and CHF committees. In combination, these collaborations guide the state's programs to address the needs of the homeless population. The CHF has brought together various resources available to support homelessness programs into a single, coordinated effort. The CHF includes:

- Pawtucket Emergency Solutions Grants
- Providence Emergency Solutions Grants

- Woonsocket Emergency Solutions Grants
- State of RI Emergency Solutions Grants
- Title XX Shelter/Homeless Service Funds
- Housing Resource Commission Shelter/Homeless Service Funds.

Both the RICoC and the CHF are designed to deliver a continuum of programs and assistance that works to reduce the number of homeless individuals and families throughout Rhode Island. The City of Providence's ESG funds bolster that effort by funding agencies and activities in Providence that are in alignment with the coordinated statewide strategy. The RICoC and CHF support a wide range of activities targeted to assisting persons at-risk of or experiencing homelessness every year and determine funding priorities based on the needs of various population groups including chronically homeless individuals and families, families with children, veterans, and unaccompanied youth.

The City supports the goals of "Opening Doors Rhode Island: Strategic Plan to Prevent and End Homelessness, the state plan that shares the vision of "Opening Doors, the Federal Strategic Plan to Prevent and End Homelessness". The vision is that no one should experience homelessness and no one should be without a stable, safe place to call home. The goals of Opening Doors Rhode Island are to:

- Increase the supply of and access to permanent housing that is affordable to very low income households;
- Retool the Homeless Crisis Response System to be more effective in preventing and ending homelessness;
- Increase economic security for those who are homeless or at risk of becoming homeless;
- Improve health and housing stability; &
- Increase leadership, collaboration and civic engagement.

Rhode Island is one of five states that joined the Zero: 2016 campaign with a goal of housing the chronic and veteran homeless by 2016. The DCD continues to be wholly supportive of this effort and participates through its partnership and engagement with the Consolidated Homeless Fund and Continuum of Care.

In November of 2014, an effort led by the Rhode Island Coalition for the Homeless (RICH) pulled together over 450 volunteers to collect and assess the vulnerability and needs of hundreds of homeless Rhode Islanders - some had never before come in contact with the homeless system. The information collected will allow for better alignment of resources to address homelessness throughout the State and the City.

Finally, the City is developing an enhanced relationship with the Department of Veteran Affairs to assist in efforts to ending veteran homelessness. The Veterans' Health Administration Homeless Programs Office has partnered with the VA Center for Applied Systems Engineering to develop a new multilevel Veteran Homelessness Gap Analysis capability. This capability enables joint analysis of gaps across the Veterans Affairs Medical Center and the RICoC to identify services offered by the VA to end veteran homelessness and address gaps in services and programming.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

The Division of Community Development for the City of Providence meets regularly with the Rhode Island Continuum of Care (RiCoC) and the Consolidated Homeless Fund (CHF) to discuss funding priorities to meet the needs of the State's homeless population. The goals of this coordination are as follows:

- To reduce administrative burden on grantees, allowing more resources and time to be allocated to client services;
- To develop consistent policies and procedures across state and municipal boundaries to allow for more effective and efficient programs and services;
- To increase efficiency and reduce the duplication of administrative efforts across municipal and state units of government; &
- To universalize the evaluation of applications and systematize the deployment of funds to decrease homelessness through strategic coordination and alignment.

As a key member of the RiCoC Approval and Evaluation Committee and the CHF, the City plays an important role in aligning Providence ESG funds to meet the needs of the homeless population through a coordinated strategy. Further, as all the partner organizations and agencies work together to evaluate programs, consistent performance standards and evaluation criteria are used to universally score programs.

The Rhode Island Coalition for the Homeless (RICH) is the lead agency for the policies, procedures, and maintenance of the HMIS system, and also serves as the trade organization for area homeless providers. The City consults with RICH to discuss system administration, as well as to keep informed on participant agencies' needs.

**2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities**

1	<b>Agency/Group/Organization</b>	Adoption Rhode Island
	<b>Agency/Group/Organization Type</b>	Services-Children Services-homeless Child Welfare Agency
	<b>What section of the Plan was addressed by Consultation?</b>	Homelessness Needs - Unaccompanied youth Homelessness Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Strategic Plan consultation with Community Engagement Coordinator to discuss services and programs for youth at risk of homelessness as they transition out of the foster care system. Spoke about supporting the agency's coordinated partnership with Family Service of RI, Lucy's Hearth, and House of Hope Community Development Corporation to support the Bridges to Hope Project, a collaboration to help disconnected youth who are at risk of aging out of the foster care system without permanency or who have aged out. Better coordination between the state DCYF system and homeless prevention services is necessary.
2	<b>Agency/Group/Organization</b>	AIDS Care Ocean State
	<b>Agency/Group/Organization Type</b>	Services-Persons with HIV/AIDS
	<b>What section of the Plan was addressed by Consultation?</b>	HOPWA Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Routine consultations with Executive Director to discuss specific services and housing needs for persons living with HIV/AIDS and their families and better coordination with homeless service providers to identify and rapidly house HIV-infected persons. Collaboration has lead to better coordination between ACOS and homeless providers or other agencies that are providing public services to HIV-positive persons.
3	<b>Agency/Group/Organization</b>	AMOS HOUSE
	<b>Agency/Group/Organization Type</b>	Housing Services-homeless Services-Education Services-Employment Civic Leaders Neighborhood Organization

	<b>What section of the Plan was addressed by Consultation?</b>	Homeless Needs - Chronically homeless Homelessness Strategy Anti-poverty Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Routine consultations with Executive Director about programs and services offered by Amos House, the broader needs of the community, and anti-poverty strategies to assist low-income individuals, particularly the formerly incarcerated, to obtain the skills necessary to be employable. Consultation will lead, and has lead, to better coordination between agencies such as Amos House and the public workforce system. Consultation also lead to 2017 leverage between CDBG, City, and private resources to support innovative work program for the homeless (A Hand Up); a program which will be further expanded in 2019.

	<b>What section of the Plan was addressed by Consultation?</b>	Anti-poverty Strategy Non-housing Community Development Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Strategic Plan phone conversations and in-person meetings with Executive Director to discuss community needs, youth violence, programs and services for youth diversion from the criminal justice system, employment and workforce development opportunities for youth, and the need for more resources to go into youth activities and summer employment programs. Conversations have lead to better coordination among specific public service agencies in the Mount Hope neighborhood.
5	<b>Agency/Group/Organization</b>	Black Contractors Association of Rhode Island
	<b>Agency/Group/Organization Type</b>	Services-Employment Business Leaders
	<b>What section of the Plan was addressed by Consultation?</b>	Anti-poverty Strategy Non-housing Community Development Strategy

	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Multiple, ongoing consultations to discuss contracting and business support needs of firms owned by minorities. Desire for technical assistance and capacity building programs tied to revenue generation opportunities such as City contracting, resulted in coordinated collateral support program to address gap/need in lending (City, RIBBA, local lenders) and new technical assistance program with OIC of RI to train contractors on how to bid and cost-estimate public construction projects.
6	<b>Agency/Group/Organization</b>	Building Futures
	<b>Agency/Group/Organization Type</b>	Services-Education Services-Employment
	<b>What section of the Plan was addressed by Consultation?</b>	Economic Development Anti-poverty Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Routine conversations with Executive Director to discuss apprenticeship and workforce development programs in the construction industry, employment opportunities for low-income City residents in the construction fields, and market opportunities to expand job opportunities for unemployed Providence residents. Consultations led to improved coordination with the public workforce system and enhanced coordination with non-profit housing developers (both reducing development costs and providing valuable training opportunities for youth).
7	<b>Agency/Group/Organization</b>	Capital City Community Center
	<b>Agency/Group/Organization Type</b>	Services-Children Services-Elderly Persons Services-Education Services-Employment Neighborhood Organization
	<b>What section of the Plan was addressed by Consultation?</b>	Anti-poverty Strategy
	<b>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</b>	Focus group discussions (strategic plan) and regular interaction throughout the program year (Action Plan) to identify and discuss community needs and programs and resources necessary to address those needs. Consultations continue to lead to better coordination among community centers and public service agencies throughout the City.

8	<b>Agency/Group/Organization</b>	Capital Good Fund

### Identify any Agency Types not consulted and provide rationale for not consulting

The City of Providence has conducted a number of Strategic Plan focus groups and one-on-one conversations with organizations and agencies engaged in affordable housing, homelessness, service delivery, community building, economic development, economic empowerment, and many other relevant issue areas, and continues to hold routine, no less than annual meetings with as many of these organizations as possible to inform community development decisions and planning. Most of these organizations and agencies have existing relationships and partnerships with the City. While the City makes every effort to be inclusive of as many providers as possible in the City, with the great many number of stakeholders involved in the improvement of the livelihoods and living conditions of the City’s low- to moderate-income population, it is possible that certain types of organizations may have been overlooked and unintentionally excluded from consultation. In the future, the Division of Community Development will continue to focus on proactive engagement of every organization type, particularly those that may have faced historical exclusion

or marginalization in the past. The primary goal of the Division of Community Development is to be as inclusive as possible in order to truly understand what the needs of the community are, and engage local stakeholders in developing the appropriate strategies for addressing those priority and underserved needs.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Governor's Workforce Board RI Biennial Employment	Governor's Workforce Board RI	The Biennial Employment and Training Plan is an important tool for the workforce system in the state to identify the key steps that will build the state's talent pipeline. Based on the network of Industry Partners that represent large and/or high-growth sectors of the State's economy, the Plan offers a good roadmap for the City's workforce development investments to increase impact and better assist low- and moderate-income City residents.
Opening Doors Rhode Island: Strategic Plan	Rhode Island Housing Resources Commission	The City of Providence has fully embraced the goals of Opening Doors and coordinates its ESG funds with the RI Continuum of Care and the Consolidated Homeless Fund to align resources and strategy to best address homelessness in the City and State. Similarly, the City advocates for system transformation to reduce the use of shelters and transitional housing to a more holistic approach to prevention, rapid response, and supports to eliminate chronic homelessness.
Providence Housing Authority PY 2015 Five Year	Providence Housing Authority	The Providence Housing Authority recently completed its 5 Year Plan which details the organizational goals. The Plan requires a certification by the City that it is consistent with the City's Consolidated Plan.
Providence Tomorrow: The Comprehensive Plan	Providence Department of Planning and Development	The City's Comprehensive Plan addresses community concerns such as housing, parks, transportation, community services, and many others. Providence Tomorrow contains all of the required elements and a few others such as sustainability, the city's built environment, and the arts. You will also find discussions about growth and change and where and how the City plans for future development. The goals detailed in the Strategic Plan support the goals and concepts of the Comprehensive Plan.

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Sustainable Providence	Office of Sustainability	Sustainable Providence presents a community vision for a future based in sustainability. Sustainable Providence recognizes that making our city an exemplary steward of our natural environment will give us a strong foundation for a resilient and prosperous economy and community. Sustainable Providence sets a course for what sustainability will look like for the City and establishes plans to promote sustainability in six topic areas: Waste, Food, Transportation, Water, Energy, and Land Use and Development.
Transportation Corridors to Livable Communities:	Providence Department of Planning and Development (in Partnership with Department of Arts, Culture)	Through a HUD Community Challenge Planning Grant, the City conducted a study focused on enhancing transit, land use, and art and cultural opportunities along the highest ridership bus routes in the City's reputation as the "The Creative Capital" of Rhode Island by showcasing arts and cultural opportunities.
Redevelopment Plan for Vacant & Abandoned Properties	Providence Redevelopment Authority	Ordinance articulates PRA's approach towards addressing vacant and abandoned residential properties within the City. This Plan informs the EveryHome initiative, and is an approach to address a need identified many times during Strategic Plan development (eliminate blight, bring properties back into productive reuse).
Healthy Homes Strategy	RI Alliance for Healthy Homes	Commissioned plan identifies opportunities for the City to work within its own organization structure and with key partners to foster healthy housing through new construction, rehab, financial tools, code enforcement and housing court, and resident education. This plan will help the City to strategically align its work to improve the quality, safety, and health of existing and new housing.
Housing Opportunities Initiative	Housing Network of Rhode Island	This initiative is a cross-sector, collaborative plan and infrastructure, seeking to organize, mobilize, and cultivate a strategically aligned coalition to affect systems change to increase and preserve affordable housing for low- and moderate-income Rhode Islanders over the next decade. Goals and priorities (while still in development) will serve to inform the City's affordable housing strategy over the coming years.

### 1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

In addition to the robust and extensive engagement in the development of the 2015-2019 Consolidated Plan, the City also engaged in the following Action Plan process:

- The City Council Committee on Urban Redevelopment, Renewal, & Planning conducted 8 additional public hearings in March, April, and May of 2019 during which staff presented on the community development programs, presentations were heard from various organizations, and the public was offered opportunity to comment.
- Additionally, a public CDBG/HOME/HOPWA Workshop was held on January 24, 2019, which included an information session and tutorial on the City's entitlement programs, how to apply, and reporting requirements associated with becoming a subrecipient, for agencies or other members of the public interested in the grant application process.
- In preparation of this Year 5, PY19 Action Plan, the City of Providence also held a public hearing on June 5, 2019, at 444 Westminster Street to afford the public, community organizations, and other interested parties sufficient time to review and comment on the Action Plan before submission to HUD.
- This Action Plan was substantially amended in May 2020 to appropriate disaster relief resources to prepare, respond to, and prevent the coronavirus. A public hearing on the Amendment was held on May 12, 2020, and a public notice was published in the Providence Journal, on the City website, and on social media alerting the public of the opportunity to comment and participate in a public hearing.
- This Action Plan was further amended in March 2021 to appropriate additional ESG disaster relief funds. A public notice was published on the City's website: <https://www.providenceri.gov/planning/community-development/>.
- ***A final substantial amendment is now proposed to allocate the final tranche of CDBG-CV funding made available through the CARES Act. A public meeting of the City Council URRP Committee was held April 7, 2021 to review and discuss the proposed amendment. A final public hearing is also scheduled for May 6, 2021 to solicit any final public comment or input.***

Promotion for these hearings and of funding opportunities was conducted through email, web, Open Meetings and Clerk's Office postings, newspaper advertisements and posts, and online social media (Twitter, Facebook). Generally speaking, the City's citizen participation process was robust and inclusive.

## Expected Resources

### AP-15 Expected Resources – 91.220(c)(1,2)

#### Introduction

The City of Providence anticipates the following federal resources for Program Year 2019 (Fiscal Year 2020):

CDBG: The City will receive \$5,020,061.00 in new 2019-2020 Community Development Block Grant (CDBG) entitlement funds. The City also reprogrammed and reallocated \$303,000.00 in "prior year resources" through this Action Plan, \$900,000 in carry-over Revolving Loan Funds, as well as \$500,000 in "program income" generated from repayment of Providence Business Loan fund (PBLF) CDBG-capitalized loans for a total of \$6,723,061 in anticipated CDBG funds.

HOME: The City will receive a final allocation of \$1,546,980 in HOME Investment Partnerships Program funds to support the creation of affordable housing, and reprogram \$58,968 in prior year resources.

HOPWA: The City will receive \$1,180,379 in Housing Opportunities for People with AIDS funds.

ESG: The City will receive \$427,181 in Emergency Solutions Grant funds for programs and services for the homeless. An additional \$69,743 in prior year resources is available for reprogramming.

Lead Grant: The City recently received a \$3.4 million, three-year grant from the Office of Lead Hazard Control and Healthy Homes, which will

enable the City to make lead-safe over 200 units by 2021.

This Action Plan has been amended to add the following anticipated disaster relief resources (appropriated to the City through the CARES Act):

CDBG-CV: **\$4,748,572.00** in Community Development Block Grant stimulus funds to prepare for, respond to, and recover from the coronavirus.

ESG-CV: \$3,367,477.00 in Emergency Solutions Grant stimulus funds to prepare for, respond to, and recover from the coronavirus.

HOPWA-CV: \$177,466 in Housing Opportunities for Persons with AIDS funds to prepare for, respond to, and recover from the coronavirus.

Table 5 - Expected Resources – Priority Table

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

The City's HOME program requires recipient organizations to contribute at least 25 percent of the value of the HOME award as a contribution match as a condition of the award in order to satisfy HUD regulations without financial impact to the City. In previous years, the State had additional affordable housing funds through the Building Homes Rhode Island program. In 2016, RI voters approved a \$50M bond for affordable housing and blight elimination; in 2019, Providence developers will continue to leverage these "Building Homes RI", or "BHRI", funds with City HOME and CDBG dollars.

The City is a partner in the Consolidated Homeless Funds CHF Partnership which oversees a variety of homeless service funding grants including:

- City of Pawtucket ESG
- City of Providence ESG
- City of Woonsocket ESG
- State of Rhode Island ESG
- State of Rhode Island Housing Resource Commission Homeless Funds
- Social Service Block Grant Funds (from the Federal Department of Health and Human Services, passed through the Rhode Island Department of Human Services)

Due to this unique collaboration, the CHF Partnership is able to provide 100% matching funds without transferring the match responsibility to ESG subrecipients. The CHF Partnership uses the rules, regulations, and policies in the ESG regulations as the basis of the program design for all CHF programs (even those that are not directly funded under ESG).

All activities that are funded under the ESG match allocations will be in accordance with the Interim Rule's new requirements and regulations (and will be monitored by the CHF Partnership as such). Only activities eligible under and in compliance with the ESG Interim Rule will receive the match resources listed above.

**If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

The City has developed a program called “EveryHome” which seeks to transition vacant and abandoned property back to productive reuse (including for community needs such as affordable housing or public space). A myriad of strategies have been developed to facilitate program goals based on the particular circumstances of the property or lot and the available stakeholder partners. The use of CDBG funds for eligible rehabilitation, demolition, or reconstruction subsidy when appropriate will continue to be one of the tools used for this program in 2019.

Table 6 – Goals Summary

DRAFT

## Goal Descriptions

1	<b>Goal Name</b>	Increase Availability of Affordable Housing
	<b>Goal Description</b>	Through new construction, conversion, and/or rehabilitation of existing units, the City will use HOME and CDBG funds to increase the supply of affordable homeownership and rental housing units for City residents and households earning up to 80% of area median income, including units with supportive services for extremely low-income and/or special needs populations.
2	<b>Goal Name</b>	Improve Quality of Occupied Housing Units
	<b>Goal Description</b>	The lack of maintenance of the City's housing stock means many housing units are in need of repair and rehabilitation. The City will use federal funds to offer grants and/or loans to qualifying homeowners and tenants to rehabilitate property. Taking a blended "whole house" approach, these funds will be aligned with the City's Lead & Healthy Homes grants and other programs available in the City to holistically address hazards, health and safety, code, energy efficiency, historic preservation, and quality of life issues in the property. Also includes associated delivery costs. Further, improvements to public housing authority properties will also be conducted with CDBG funds.
5	<b>Goal Name</b>	Return Abandoned Property to Productive Use
	<b>Goal Description</b>	The City of Providence still lives with the legacy of the foreclosure crisis and there are several hundred houses throughout the City that are vacant, abandoned, and uninhabitable. Using federal funds, the City will engage housing developers to conduct rehabilitation of vacant and abandoned homes for affordable homeownership or rental units, selective demolition if required to address imminent safety hazards posed by nuisance properties, or for public or green space.
6	<b>Goal Name</b>	Reduce Homelessness
	<b>Goal Description</b>	In collaboration with the Consolidated Homeless Fund and the state Continuum of Care, the City will use federal funds to support the elimination of chronic and veteran homelessness through street outreach, homelessness prevention, and rapid re-housing assistance. Additional activities to be conducted with ESG-CV funds have been added that will assist persons experiencing homelessness or at imminent risk of homelessness due to COVID-19 to stabilize their housing.

7	<b>Goal Name</b>	Increase Housing Stability among PLWHA
	<b>Goal Description</b>	The City will use HOPWA funds to ensure that low-income persons living with HIV/AIDS (PLWHA) obtain and maintain stable housing through support for acquisition, rehabilitation, or new construction of housing units; costs for facility operations; rental assistance; short-term payments to prevent homelessness; and the delivery of support services including (but not limited to) assessment and case management, substance abuse treatment, mental health treatment, nutritional services, job training and placement assistance, and assistance with daily living. Additional activities to be conducted with HOPWA-CV funds have been added that will assist HOPWA-eligible households impacted by COVID-19 to stabilize their housing and meet their emergency needs.
8	<b>Goal Name</b>	Eliminate Accessibility Barriers
	<b>Goal Description</b>	Use CDBG funds to make public and nonprofit service providers' buildings and City infrastructure/facilities more accessible for those with physical disabilities and compliant with the Americans with Disabilities Act.
9	<b>Goal Name</b>	Provide Safe Learning Environment in City Schools
	<b>Goal Description</b>	Many of the City's public school buildings are in need of substantial repair. The City will use CDBG funds for emergency repairs to public school buildings to create safer learning environments for school children.
10	<b>Goal Name</b>	Improve Condition of Public Service Facilities
	<b>Goal Description</b>	The physical condition of many of the structures which community organizations and social service agencies use are in significant disrepair, have multiple code violations, or have repair needs so extreme that portions of the building cannot be used. The City will use CDBG funds to improve these facilities so that the City's low- and moderate-income population continue to receive services.  <b><i>CDBG-CV funds will be used to make retrofits or to expand critical public facilities to enable effective response to the coronavirus.</i></b>

11	<b>Goal Name</b>	Improve Street, Sidewalk and Public Infrastructure
	<b>Goal Description</b>	The infrastructure of the City in many neighborhoods is in significant disrepair, decayed, and unsafe for drivers, pedestrians, and cyclists. Sidewalks are often trip hazards and road conditions damage vehicles. CDBG funds will be used to improve the physical condition of the City's streets, roads, and sidewalks, and create more options for non-automobile transportation options for convenient access to community destinations and public places, whether walking, bicycling, skateboarding, or taking public transportation. Public infrastructure improvements will include accessibility enhancements to ensure that those with physical disabilities are able to navigate the City safely. Additionally, the City may conduct eligible public infrastructure projects including sewer and water maintenance as needed.
12	<b>Goal Name</b>	Increase Access to Community Gardens / Urban Farms
	<b>Goal Description</b>	Creation or improvement of local community gardens and urban farms to serve as public facilities, green space, and drivers of neighborhood economic activity.
13	<b>Goal Name</b>	Improve Parks, Open Space, and Sports Fields
	<b>Goal Description</b>	Neighborhood parks can promote healthy lifestyles, community engagement and revitalization, economic development, and environmental and social health. The City will support the creation and improvement of parks, open space, and sports fields. CDBG funds will also be used to increase the number of urban trees throughout the City and increase the proportion of the City that has canopy shading in order to reduce air pollution, conserve water and reduce soil erosion, provide shaded areas for cooling, and reduce noise pollution.
15	<b>Goal Name</b>	Provide for Basic Needs of LMI Persons
	<b>Goal Description</b>	Through ongoing support of the City's network of community centers, homeless agencies, and other community organizations, federal funds will be used to provide for the basic, unmet needs of low-income residents including food assistance, clothing, case management services, and more. <b><i>Additional activities to be conducted with CDBG-CV funds have been added that will aid families impacted by the coronavirus through provision of basis emergency needs (such as short-term rental, utility, and food assistance) along with healthcare and supportive services.</i></b>

16	<b>Goal Name</b>	Provide Healthcare for LMI Persons
	<b>Goal Description</b>	Provide for the health and wellness needs of low-income and uninsured residents. <i><b>Additional funds programmed through CARES Act have been added to treat and respond to the novel COVID-19 virus, as well as to provide community mental health supports and services for families negatively impacted by the coronavirus.</b></i>
17	<b>Goal Name</b>	Increase Workforce Readiness and Job Skills
	<b>Goal Description</b>	CDBG funds will be used in conjunction with the public workforce system to engage the City's low-skilled, low-literacy, unemployed, and underemployed population to build literacy and higher-level job skills, including adult basic education, GED preparation, workforce readiness training, and job skill development so that LMI residents will be better prepared for employment opportunities.
18	<b>Goal Name</b>	Provide Youth Enrichment and Educational Programs
	<b>Goal Description</b>	CDBG funds will be used to provide young people with educational activities and arts and cultural programs that enhance their interest in civic life, create mutually beneficial relationships with peers and adults to promote pro-social behavior, and build their skills and abilities to be better prepared to make a positive impact in the world.
20	<b>Goal Name</b>	Provide Services for the Elderly
	<b>Goal Description</b>	The City will use CDBG funds to provide low-income and/or disabled seniors with services and programs such as basic needs and food assistance, health and wellness activities, exercise and social activities, medication set up, blood pressure screenings, transportation assistance, and assistance with Medicare and SNAP benefits.
21	<b>Goal Name</b>	Provide Day Care Services to LMI Persons
	<b>Goal Description</b>	CDBG funds will be used to provide child care and day care assistance to low- and moderate-income families and single mothers in order to prepare young children for kindergarten, teach literacy skills, provide a safe early learning environment, and facilitate parents' employment.
23	<b>Goal Name</b>	Provide Services for Victims of Domestic Violence
	<b>Goal Description</b>	Provision of support services (housing assistance, advocacy, and/or case management) for victims of domestic violence and their families.

24	<b>Goal Name</b>	Facilitate Small Business Development and Growth
	<b>Goal Description</b>	To promote economic growth and local resources for low to moderate income individuals, especially minorities and women. The funding will also support the establishment of new businesses, retention and growth of existing businesses, and increase the number of low-income adults who obtain the skills necessary to meet industry's needs for qualified workers; and advance policies, practices, and partnerships that lead to sustainable economic growth with shared businesses. <b><i>A new small business grant program has been added with CARES funding to aid microenterprises to recover from COVID-19.</i></b>
27	<b>Goal Name</b>	Repay Section 108 Loan
	<b>Goal Description</b>	CDBG funds and/or program income will be used to repay the Section 108 loan taken out in 2010 to provide resources for economic development loans provided through the Providence Economic Development Partnership.
28	<b>Goal Name</b>	Effectively Administer Programs
	<b>Goal Description</b>	An allowable portion of CDBG, HOME, HOPWA, and ESG funds will be used to finance the costs of administration of these respective programs; i.e. to rapidly award projects and commit funds for programs; to monitor all projects, activities, and organizations annually, and conduct proper evaluations of all programs; and to meet all timeliness standards and cost associated with delivery cost. <b><i>Additional allowable percentages of CARES Act funding received will be set aside to aid in the effective administration of these stimulus programs.</i></b>

## Projects

### AP-35 Projects – 91.220(d)

#### Introduction

The City of Providence is an entitlement jurisdiction that receives federal funds from U.S. Housing Urban Development to invest in its neighborhoods. The funds are provided under CDBG, HOME, ESG, HOPWA entitlement programs. All funds must primarily assist low- to moderate-income individuals, families, and households. The primary objectives of the projects listed below are to develop viable communities through the provision of decent housing, a suitable living environment, and expanded economic opportunities; reduce homelessness and support the housing and related supportive service needs for low-income persons living with HIV/AIDS. ***Through tranches of disaster-relief funding made available through the CARES Act, additional projects will be conducted that will enable the City to respond to the impacts of coronavirus. Added or expanded projects are denoted in bold.***

**Table 7 - Project Information**

**Describe the reasons for allocation priorities and any obstacles to addressing underserved needs**

Allocation priorities were based on level of funding, information gleaned from community engagement and citizen participation process, level of need for public services, research and analysis of public data sources, strength of organizations and institutional delivery system, and opportunities to leverage additional non-Federal funds for programmatic goals. While the City would like to allocate additional resources into public service projects, the statutory public service cap inhibits the City from doing so.

The primary obstacle to addressing the priority needs is the statutory cap on public service projects; the vast majority of proposals received by the City fall in this category. Similarly, the City would like to be able to direct more resources to workforce development, literacy, and jobs skills training; however, these types of programs fall within the public services cap. Additionally, the City is still facing a higher than normal foreclosure rate which often results in property abandonment, eventual blight, and costly rehabilitation. The City remains disappointed that housing counseling to prevent foreclosure, abandonment, and blight is not considered an eligible housing activity; rather, it is considered a public service and therefore subject to the statutory cap. When a house falls into foreclosure and abandonment, it is subject to vandalism, materials theft, and rapid decay. This ensures that the rehabilitation cost escalates quickly. Foreclosure prevention programs greatly reduce the number of housing units that fall into vacancy and abandonment, prevent urban decay and blight, and minimized the rehabilitation cost of these properties. The statutory public service cap limits the City from robustly funding this type of important program.

Further, legal aid to assist low-income tenants living in substandard conditions also falls within the public service category. Like housing counseling, this need is underserved with HUD funds.

The level of need in the City for private housing rehabilitation is much larger than the resources available.

The City will work rapidly through its Home Repair fund.

The limited number of parcels for new construction will present a challenge for new affordable rental or homeownership housing construction. Further, the limited availability of parcels suitable for infill development are generally located in low-income neighborhoods throughout the City, exacerbating the challenge of promoting fair housing choice.

## **AP-50 Geographic Distribution – 91.220(f)**

### **Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed**

The geographic priority is city-wide. CDBG, HOME, and ESG projects and activities reach into every low- and moderate-income area of the City. HOPWA funding supports operations throughout the Providence - Fall River - New Bedford EMSA (approx. 12% of total new entitlement resources).

With limited exception, most neighborhoods throughout the City of Providence have areas with low- to moderate-income populations. As such, the geographic allocation of resources will be fairly dispersed throughout the City, albeit targeting the most economically distressed areas of the City's neighborhoods. Fundamentally, the City has focused its strategies to assist low- to moderate-income residents regardless of where they live.

The areas of concentration for minorities in Providence are located in the Upper South Providence, Lower South Providence, West End and Olneyville neighborhoods. Providence has a rich diversity in its population. Communities of color in the City of Providence are the majority, with the White, non-Hispanic/Latino population only comprising 36.7% of the population. As such, assistance is targeted throughout the City's low-income neighborhoods, which are often also areas with high diversity.

### **Geographic Distribution**

<b>Target Area</b>	<b>Percentage of Funds</b>
Community Wide - Entire City Geographic Area	88
Providence - Fall River - New Bedford EMSA	12

**Table 8 - Geographic Distribution**

### **Rationale for the priorities for allocating investments geographically**

With limited exception, most neighborhoods throughout the City of Providence have areas with low- to moderate-income populations. The City of Providence does not currently have a designated or HUD-approved geographic target area. Over 62% of the population of Providence is low- to moderate-income. These individuals and households are spread throughout the City.

### **Discussion**

As discussed above, the geographic allocation of resources will be fairly dispersed throughout the City, albeit targeting the most economically distressed areas of the City's neighborhoods and the most economically marginalized persons living in those neighborhoods. Fundamentally, the City has focused its strategies to assist low- to moderate-income residents regardless of where they live.

## Affordable Housing

### AP-55 Affordable Housing – 91.220(g)

#### Introduction

Documented in this Action Plan, the City is expecting to allocate funds to support affordable housing projects for the homeless, non-homeless, and special needs households in the 2019 Program Year.

CDBG funds in the amount of **\$663,000.00** will support the following:

- Eliminate neighborhood blight by rehabilitating 3 blighted, abandoned, and uninhabitable properties for resale to low/mod income buyers (**3 units rehabbed**);
- Improve the quality of occupied housing and support independent living for the elderly and disabled by supporting the rehabilitation of **20** private homes (**\$300,000** in deferred payment Home Repair loans);
- Improve the quality of occupied public housing through capital improvements at Chad Brown, Manton Heights, Hartford Park and Parenti Villa (**\$63,000** in facility upgrades serving **939** existing public housing units).

HOME funds in the amount of **\$1,451,250** will tentatively support the development of the following **29** affordable housing units:

- Redevelopment of 114 Bowdoin Street in the Olneyville neighborhood as an affordable three-family rental property for rent to <60% AMI renters (**3 units**).
- Redevelopment of vacant properties in Smith Hill and Wanskuck neighborhoods into affordable homeownership opportunities (**5 units**) with rentals (**8 units**).
- Construction of 2 homeownership units on a vacant lots in the South Providence to <80% AMI buyers (**2 units**).
- Construction of 11 affordable rental units on Oxford Street for rent to <60% AMI low/moderate income (**11 units**).

*Note: all tentative, project-specific HOME commitments proposed above are subject to further underwriting and HUD approval under Part 92 of the federal regulations prior to final City approval and*

contracting.

HOPWA funds in the amount of **\$1,144,968** will support the following:

- Short-Term Rent, Mortgage and Utility Assistance Households = **10 households**
- Tenant Based Rental Assistance = **20 households**
- Facility Based Rental Assistance= **46 households**
- **Total: 76 Special Needs Households Provided Housing Assistance**

ESG funds in the amount of **\$491,071** will support the following:

- Essential services, rapid rehousing, rental assistance, and street outreach services for the homeless within the jurisdiction of Providence.

<b>One Year Goals for the Number of Households to be Supported</b>	
Homeless	0
Non-Homeless	52
Special-Needs	76
Total	128

**Table 9 - One Year Goals for Affordable Housing by Support Requirement**

<b>One Year Goals for the Number of Households Supported Through</b>	
Rental Assistance	76
The Production of New Units	16
Rehab of Existing Units	36
Acquisition of Existing Units	0
Total	128

**Table 10 - One Year Goals for Affordable Housing by Support Type**

## Discussion

It should be noted that not all goals identified above are likely to be met entirely within the 2019 program year as certain affordable housing development projects have a longer timeline before completion.

"Number of households supported" figure also includes HOPWA households receiving rental assistance.

## **AP-60 Public Housing – 91.220(h)**

### **Introduction**

The City of Providence supports the ongoing operation of the Thomas J. Anton Community Center at Hartford Park. Through the City's annual support of public service activities, the Department of Resident Services is able to provide adult education classes, family self-sufficiency program, financial opportunity center and financial coaching programs, income support, and employment counseling.

There are several restoration and revitalization needs in the portfolio of public housing throughout the City. Sprinkler systems need to be replaced or installed in 5 high-rise buildings at a cost of approximately \$5 million. There are elevator modernization needs at each of the 6 high-rise buildings. At the scattered site developments, many properties require improvements and repair to the wood exterior, replacement of vinyl windows, and porch replacement and painting. At Hartford Park, there is a need for rehabilitation of the wood structure buildings and exterior concrete step repairs or replacement. At Chad Brown and Admiral Terrace, the roofs for two brick construction buildings need replacement and three electrical substations at Admiral Terrace need to be relocated. There is also a recognized need for fire alarm upgrades at the Manton Heights development.

### **Actions planned during the next year to address the needs to public housing**

The City will address some of the extensive needs discussed above by extending its commitment to fund service operations at the Thomas J. Anton Community Center at Hartford Park, as well as providing \$63,000 in CDBG to address needed facility and safety upgrades for Chad Brown, Hartford Park, Manton Heights, and Parenti Villa. Improvements include installation of security systems and playspace upgrades.

### **Actions to encourage public housing residents to become more involved in management and participate in homeownership**

The Providence Housing Authority continues to cultivate Resident Advisory Board and Resident Association relations and communication to maintain transparency, and to provide a forum for valuable resident participation in planning activities guided by PHA goals and objectives. The PHA has a Resident Association (RA) and Resident Planning Committee (RPC) at every development. The president of each Resident Association, as well as a representative from each Planning Committee, serves as a delegate to a larger "Resident Advisory Board", which meets monthly to provide feedback and guide PHA policies and policy-making.

Aside from the provision of safe and affordable housing, the PHA's core mission also includes provision of services to address economic and social service needs of PHA residents.

The PHA's Resident Services Department (RSD) furthers the agency's mission to address the self-

sufficiency needs of residents by providing a comprehensive continuum of programs including:

- Resident Service Coordinator (RSC) Program (coordination of general social services; case management including limited counseling and crisis intervention)
- Adult Education Program (ESL; ABE/GED; Digital Literacy)
- Family Self Sufficiency (FSS) Program (supports for financial independence through employment/increased earned income; an escrow savings plan is available as an incentive)
- Financial Opportunity Center (FOC) Program (financial coaching; income (benefits) supports; work readiness training; job search/placement; employment supports)
- Jobs Plus Providence (JPP) Program (workforce development through job training and employment supports; an Earned Income Disregard (EID) is available as an incentive)
- Volunteer Income Tax Assistance (VITA) Program (free tax preparation for eligible individuals/families); and
- After-School Youth Program (on-site activities for youth age 6-12 provided through a formal partnership with the Providence Boys and Girls Club) that supports working parents.

The Providence Housing Authority is also a HUD-certified Housing Counseling Center, and provides qualified guidance to clients exploring homeownership, as well as pre- and post-purchase counseling.

**If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance**

Not applicable, Providence Housing Authority is not designated as a troubled PHA.

**Discussion**

The PHA has completed its five year plan and its capital improvement plan. The City continues to engage the PHA to discuss funding priorities and the urgent rehabilitation needs in relation to other competing needs throughout the City.

## **AP-65 Homeless and Other Special Needs Activities – 91.220(i)**

### **Introduction**

The City's partnership and funding alignment with both the Consolidated Homeless Fund and the Rhode Island Continuum of Care offers a unique opportunity for better coordination among several different programs and funding streams to address homelessness in a strategic, targeted, and systematic way. The network of providers of services and housing for the homeless in the City and State is strong and robust; however, it has not been as coordinated and integrated as it could be. Collaboratively, major strides have been taken to improve collaboration, including development and adoption of a universal coordinated entry policy, as well as system standards for funding evaluation, performance, VI-SPDAT and HMIS, and standards for case management.

The State's strategic plan to end chronic homelessness, *Opening Doors*, is a road map the State's providers can use to move much more diligently into a Housing First model of quickly engaging the homeless, providing them with stable housing, and delivering the appropriate and relevant wraparound services. Crossroads Rhode Island, the State's largest provider of shelter services, as well as many other providers, have fully embraced Housing First and are refocusing efforts to better provide permanent housing while still maintaining the necessary shelter capacity for those that lack housing. Providers are also moving away from transitional or first-step housing towards a permanent, supportive-housing model of operation.

It is important to note that the City blends funding strategically with other sources of funds and consolidates its funds into a small number of projects rather than fund a large number of projects with smaller ESG grants. The City's ESG funds are aggregated with ESG funds from Pawtucket, Woonsocket, and the State, as well as Title XX Shelter/Homeless Service Funds and the Housing Resource Commission Shelter/Homeless Service Funds. As such, the City looks at the Consolidated Homeless Fund's entire allocation and assigns funding to minimize the level of resources required to monitor compliance and reduce administrative burden to funders and agencies alike.

### **Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

There are several agencies that conduct outreach efforts in the City of Providence. In collaboration with the Rhode Island Continuum of Care and the Consolidated Homeless Fund, the City uses its Federal Emergency Shelter Grants to support outreach efforts and case management services to connect the unsheltered homeless population with emergency shelters, transitional housing, permanent housing, and the supportive services necessary to maintain their housing. To better coordinate outreach efforts, the City has insisted that any agency that engages in outreach efforts coordinate those efforts with other

agencies to avoid duplication and inefficiency.

As part of the broader efforts to eliminate chronic homelessness, the City supports agencies that engage hard-to-reach homeless persons living on the street, individuals existing the criminal justice system or aging out of the foster care system, homeless veterans, and individuals with substance abuse or mental health issues. Through the Downtown Safety Outreach Collaboration, chronic homeless individuals are identified in order to provide this information to agencies so that services can be brought to bear to address their individual needs.

For the 2019 Program Year, the City will be funding essential services, including street outreach, through which providers will seek out and engage homeless persons living on the streets or in encampments. This street outreach and case management will include assessments of the needs of homeless individuals. Street outreach and essential services will also include staff costs associated with case management, intake, HMIS reporting, as well as services pertaining to employment, mental health care, education, and substance abuse counseling. Services will be accessible on a drop-in basis, as well as for those individuals seeking more intensive services through a first-of-its-kind mobile outreach unit.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The Crossroads Family Shelter is the only emergency shelter for homeless families in the City of Providence. The goal is to keep shelter stays at 30 days but no longer than 45 days. The Family Center was purposely designed to accommodate the multiple needs of families. First, the main floor of the center is handicapped accessible, ensuring that all persons, regardless of physical limitations, have equal access to decent safe shelter. With fifteen bedrooms, up to fifteen families can be housed at one time in the Center. The bedrooms vary in size and were uniquely designed as 'suite style" so that we can accommodate larger families without having to separate them. Case management, shelter activities and interactions with families are focused on housing solutions and solving the problems that contributed to their homelessness or present barriers to stable housing. Families with the most complex needs are assigned to housing first case managers who focus on placement in permanent supportive housing. Families with mid-range acuity are assigned to a rapid-rehousing case manager for supportive services including financial assistance to place in a market rate or subsidized apartment.

Recognizing an intense demand for services for the chronically homeless in the downtown area, the City and House of Hope CDC have deployed a new mobile outreach trailer, which meets homeless individuals "where they are" and offers case management, medical services, showers, laundry, and sundries.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were**

## **recently homeless from becoming homeless again**

Rental assistance will be provided to homeless households throughout the City, as well as essential services to homeless individuals and families, particularly those who are newly and chronically homeless, persons in recovery and/or suffering from addictions, the formerly incarcerated, and/or persons with physical and mental illnesses. Locating and maintaining stable housing will continue to be an emphasis.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.**

All HUD-funded programs include financial eligibility criteria and are targeted to low-income households. Local providers such as Crossroads Rhode Island and Providence In-Town Churches offer essential services to prevent homelessness and work closely with other service providers like Open Doors to assist formerly incarcerated young adult males who are at risk of homelessness and to connect them with other programs as in subsidized transitional housing, addiction treatment programs, mental health facilities who will otherwise be homeless or living in highly unstable housing after release into stable, sustainable housing.

Homeless prevention initiatives are centered on short and long term initiatives. The long term strategy, on the other hand, is to facilitate employment and increase support networks as a means to preventing homelessness or return to homelessness. By preventing homelessness and supporting homeless services and outreach efforts, the City aims to identify and target those individuals and families who would otherwise become homeless without timely assistance. Supportive services and housing assistance for the special needs population are particularly important because of their vulnerability to homelessness.

## **Discussion**

Additional funding has been provided through the recent passage of the CARES Act that will boost resources to prevent and respond to homelessness arising from the coronavirus. Homelessness prevention and diversion programming will be provided with ESG-CV funds to prevent loss of housing and homelessness due to loss of income or employment from COVID-19. By providing stabilization resources, hundreds of individuals and families can be diverted from the RI shelter system.

## **AP-75 Barriers to affordable housing – 91.220(j)**

### **Introduction:**

The City of Providence was a partner in the 2015 development of a Statewide Regional Analysis of Impediments to Fair Housing (Regional AI) in consultation with the RI HUD entitlement communities: Providence, Cranston, East Providence, Pawtucket, Warwick, and Woonsocket. Rhode Island conducted a comprehensive Regional AI at the statewide level for a number of reasons, including:

- The most intractable fair housing issues can only be resolved on a regional basis. Given Rhode Island’s compact size, the region and State are synonymous. The State has a single labor market that comprises all of its 39 cities and towns.
- Rhode Island already has a long history of fair housing policy. It has a comprehensive statewide planning program and a legislated “fair share” low and moderate income housing goal. Municipalities are required to identify in their local comprehensive plans how they will meet the housing needs of a diverse population across age, income and household type. Rhode Island has long provided for the siting of group homes for residents with disabilities in any residential district. In allocating housing subsidies and low income housing tax credits, the State has followed a “both and” policy of creating more affordable housing in low-poverty areas (typically suburban) where few opportunities currently exist, while also continuing to redevelop those neighborhoods (typically urban) most heavily affected by poverty, the foreclosure crisis, and other ills.
- The State Office of Housing and Community Development (OHCD), the entity managing the fair housing planning, is also the entity that administers the federally funded housing and community development programs for the state and staffs the State’s Housing Resources Commission. As such, it already has an obligation to affirmatively further fair housing. OHCD coordinates closely with Rhode Island Housing, the state’s housing finance agency, on housing policies, programs and funding decisions, and Rhode Island Housing implements many of the state’s housing and planning initiatives on behalf of OHCD.

The City of Providence has consulted with the OHCD to update its previously identified impediments. Providence supported this regional approach as many impediments are beyond the authority or financial capability of the City of Providence to address alone, such as economic conditions, limited transportation options, insufficient state or federal resources for the development of affordable housing, fair housing enforcement, cost and availability of property insurance, and more. Addressing these impediments requires the collaboration of the municipalities, state and federal funding agencies, fair housing service providers, lenders, real estate professionals, and other state agencies.

The Regional Analysis of Impediments is being updated for Spring 2020.

**Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the**

## return on residential investment

1) The City partners with the Housing Network of Rhode Island to provide a bilingual down-payment and closing cost assistance program to alleviate the significant upfront cost burden creating a barrier for low-income homebuyers when purchasing a new home.

2) The City is seeking partners that can provide housing counseling in expanded languages (beyond English and Spanish). The City recently issued a Request for Information to obtain current pricing for expanded and on-call translation services for City/subrecipient services in 2019.

3) Further, the City has engaged with law clinics, the RI Center for Justice, and RI Legal Services to assist with support for low-income renters that have been unfairly treated in the access or retention of housing in the City. The City has pending local legislation to expand protected classes in the City (to prevent discrimination on the basis of source of income), and is actively working to expand legal representation for low-income tenants in the City's Housing Court system. This legal aid will work in parallel to the City's enhanced code enforcement efforts aimed at ensuring the safety and welfare of City residents with limited housing choice.

4) The City will continue its Home Repair Program in 2019. This CDBG program will provide deferred payment, 0% interest loans to owner-occupants who are unable to finance critical repairs to their homes. Rising construction costs continue to exacerbate deferral of maintenance and substandard housing for households with fixed or stagnant incomes. This program will enable another est. 20 households to afford critical repairs who would otherwise be unable to do so (due to inability to obtain conventional home equity lending due to their limited or fixed incomes).

4) The City is developing a bilingual handbook to notify tenants of their rights.

5) The City has provided incentives to developers to create affordable housing at the City level through policy and zoning changes. These incentives include:

- Enabling legislation to permit the Providence Redevelopment Agency to acquire properties certified to be vacant, abandoned, and tax delinquent. This initiative allows the City to convey clear title to potential developers at lower cost (than if developers purchased at auction), and bring hundreds of abandoned properties back into productive reuse as market and affordable housing. The RFP process by which the PRA disposes of these properties includes criteria that favor affordable housing proposals, as well as proposals that will utilize MBE & WBEs.
- The Providence Redevelopment Agency permits land-banking by developers, and does not charge a holding fee.
- The City Zoning Ordinance was updated to establish "T.O.D. Districts", or transit-oriented development districts that allow for housing construction in proximity to public transit, and to

allow for increases in residential density.

- Commercial historic districts were expanded to properties, increasing the number of properties potentially eligible for historic tax incentives for preservation and redevelopment as housing.
- Height bonuses were also included to allow waivers on height limits for developments offering affordable housing.
- Codification of a long-term funding stream in 2019 (through an Ordinance earmarking a percentage of Tax Stabilization Agreement revenue to the Providence Affordable Housing Trust) to be administered by the Providence Redevelopment Agency. This estimated \$1M+ per year will provide low-interest development loans and subsidy for the creation and preservation of affordable housing.

### **Discussion:**

The City of Providence's relationship with the State Office of Housing and Community Development, RI Attorney General, US Attorney, and RI Commission for Human Rights allows for periodic communication regarding fair housing strategies. Further, the City will be a strong 2019 partner in the HomesRI Initiative, a cross-sector coalition seeking to transform the state's under-resourced affordable housing system and create a common agenda to increase the supply of safe, healthy and affordable housing throughout Rhode Island, equitably reducing the housing cost burden for low and moderate income residents over the next decade. Partners are concentrating work efforts in four key areas: increasing community engagement in affordable housing issues, reducing high development costs, increasing investment and building capacity in the affordable housing "system", and making existing homes safer, healthier, and more affordable to maintain.

## **AP-85 Other Actions – 91.220(k)**

### **Introduction:**

The City of Providence continually seeks to increase the beneficial impact to low- and moderate-income individuals of all programs and activities that are funded with CDBG, HOME, HOPWA, and ESG funds. In addition to the specific activities detailed below, the Division of Community Development will be more pro-active in responding to any and all programmatic challenges experienced by subrecipients as they may arise throughout the program year in order to ensure that any problems that may diminish the intended benefit of grants is corrected or reduced as soon as possible. Further, the Division of Community Development is in the process of updating its Policies and Procedures manual(s), in consultation with HUD and program stakeholders, to clarify program requirements for all funding sources.

### **Actions planned to address obstacles to meeting underserved needs**

The City conducted a public services audit in collaboration with Roger Williams University to evaluate the City's ecosystem of public service providers, with the intention of identifying programming overlaps, inefficiencies, and gaps in service to better coordinate and target funding to address unmet need and minimize duplication. Further, the Division of Community Development continues to partner with the Roger Williams University School of Continuing Education to develop research internships and opportunities in order to provide rich research opportunities to faculty, service learning for students, and valuable data and information for the City. The City also partnered with the Brown University Public Policy Program, which held fall 2017 and 2018 courses for Brown students, as well as adult learners from the public sector and community service organizations (CSOs) entitled "The Science and Craft of Applied Policy Research: Governing Community Service Providers in Providence", which explored the following questions surrounding social service needs in Providence:

- Which operational and financial skills are the most difficult for CSOs to acquire and maintain?
- What kind of resources would be needed to facilitate increased sustainability, and where might these resources be located?
- Can CSOs improve their managerial capacities and the quality of the services they provide by learning from each other and/or by accessing capacity-building resources that might be found elsewhere in Providence's broader philanthropic and non-profit community?
- What would have to be done to reduce the costs of continual learning within service providers and across the broader ecosystem?
- Can the objectives of individual CSOs and the division of labor between them be reconfigured in ways that produce greater public value at similar levels of cost?
- Are changes to the City's RFP process for CDBG social services warranted, and/or can changes be made to better prioritize proposals addressing underserved social service needs?

The findings of this Brown course informed the City's provision of technical assistance to agencies in 2019,

as well as its future funding cycles.

### **Actions planned to foster and maintain affordable housing**

The City will continue its effort to rehabilitate, preserve, and create new affordable housing in the City, with an emphasis on identifying new areas of the City that would allow for mixed-use and mixed-income developments in higher income neighborhoods and Census tracts. The primary funds for these initiatives will be CDBG and HOME funding. The City will use CDBG and HOME funds to leverage other financing (state, federal, and local) to enable the construction and preservation of affordable units. Further, the City will continue to prioritize the construction of mixed-income and affordable units when reviewing development proposals for the hundreds of vacant and abandoned properties that are being redeveloped through the EveryHome Initiative. Units constructed or assisted by the City will have their affordability preserved via long-term deed restriction.

### **Actions planned to reduce lead-based paint hazards**

The City of Providence, through its Division of Community Development (DCD), has developed a comprehensive and cohesive Lead Safe Providence Program (LSPP) to coordinate lead hazard reduction with existing housing programs to integrate HUD-funded lead poisoning prevention and “Healthy Homes” interventions. The DCD has experience in successfully operating its current HUD Lead Hazard Reduction Demonstration grant, as well as 7 total prior HUD Lead Hazard Control Grants (Since 1999: RILHB0490-14, RILHB0490-10, RILHD0190-08, RILHB0402-08, RILHD0033-04, RILHB0227-02, RILHR0123-98, RILHH0071-99). The renewed LSPP will produce 200 lead safe, healthy, and energy efficient units in the LSPP’s citywide target area where homes are made lead safe and home-based environmental health hazards and energy costs are reduced by the end of calendar year 2018. The \$3.4 million grant-funded LSPP is providing matching funds of \$804,579 and \$320,000 in leveraged funds from its public, private, and community-based partners over 36 months.

Using the experience gained from successfully managing its previous and existing HUD Lead Grant Programs, the Lead Safe Providence Program utilizes a dynamic program to:

- Perform lead hazard reduction (interim controls) interventions in 200 homes;
- Provide 230 free lead inspections/risk assessments for owners to identify lead hazards;
- Complete 140 Healthy Homes interventions in Program units;
- Complete leverage funded Weatherization interventions in Program units;
- Conduct over 100 outreach and education events that support the goal of reaching 5000 residents, health care providers, community organizations, FBOs, property owners, realtors and contractors;
- Provide job training and increased contractor capacity by providing Free Lead Worker trainings

- and certifications as well as Green & Healthy Homes jobs training to at least 50 participants;
- Operate a LSPP HEPA-Vacuum Loan Program;
- Support an existing Lead Safe Housing Registry of available healthy/lead certified rental properties to distribute regularly to community residents who are seeking safer housing;
- Utilize the HUD Healthy Homes Rating System (HHRS) and tablet computer for efficient field assessments and Scope of Work development for Healthy Homes interventions;
- Expand the integrated Green & Healthy Housing Initiative Providence model to produce comprehensive interventions and create more sustainable units.

### **Actions planned to reduce the number of poverty-level families**

The following are the activities that the City will take during the 2019-2020 program year to lift people out of poverty:

- **Adult Basic Education, Literacy, and GED Training:** Working with the Providence Community Library, the City will engage low-literacy adults and newly arriving immigrants in English language programs to ensure they have the language skills to be full participants in the local and regional economy.
- **Job Training and Skill Development:** Working with Amos House & Building Futures, and in coordination with the public workforce system, the City will bolster workforce development efforts to build job skills among low-income Providence residents.
- **Youth Training and Summer Youth Employment:** Every summer, the City of Providence, in collaboration with the Governor's Workforce Board and the RI Department of Human Services, offers summer employment to help teenagers and young adults develop job skills, learn positive work habits, and stay engaged in the community. These Providence youth work as seasonal employees of the Department of Parks and Recreation, or are employed by one of the many employer partners including AS220, the Boys and Girls Clubs of Providence, Goodwill Industries of Rhode Island, the Institute for the Study & Practice of Non-Violence, Rhode Island Hospital/Lifespan, the Rhode Island Parent Information Network, Young Voices, or Youth in Action.
- **Increase Access to Work Supports:** The City will help promote Providence residents signing up for work support programs, such as child care subsidies, RIte Care health insurance, SNAP benefits, the Earned Income Tax Credit, and RI Works through partnerships with community centers and public service organizations. Increased work supports help low-wage families meet their basic needs and move toward financial security.
- **Support for New and Existing Businesses:** Working with the Center for Women & Enterprise, the City will provide funds for technical assistance to get low-income, Spanish-speaking, and minority businesses and entrepreneurs "credit ready" and primed for growth. The City also continues to support Providence businesses through low-interest Providence Business Loan Fund (PBLF) loans, which provide flexible lending with the goals of fostering local business growth and increased job creation/retention for low/mod employees. The City will also support new businesses and

entrepreneurs through the provision of small grants or loans for new or existing business owners who are income eligible through the DesignxRI program.

- **Expand Procurement and Growth Opportunities for Businesses Owned by Persons of Color and Women:** In order to support to the fullest extent possible participation of firms owned and controlled by minorities or women, the City has a mandate that all requests for procurement shall be inclusive of M/WBEs, and that the City shall strive to achieve at least 10% procurement from MBEs and 10% procurement from WBEs. By increasing the availability of City contracts to these businesses, greater revenues will flow to local businesses owners, facilitating greater local economic growth and more local employment. Additionally, the City will also fund the Center for Women and Enterprise, which will offer programs providing technical assistance and incubator programs to minority and women-owned businesses and entrepreneurs.

### **Actions planned to develop institutional structure**

Providence is rich in the number and type of agencies and organizations that provide social services to populations in need. This network of agencies and organizations provide a broad variety of housing, economic, and social service programs that serve many community residents. These include community development corporations (CDCs), other non-profit housing developers, non-profit service providers, human services and shelter providers, organizations working with special needs populations, and other community-based organizations. Most of these organizations are funded through a combination of public and private sources.

While there is no shortage of community organizations in the City, the unfortunate reality is that many of these service agencies struggle with resource constraints, compete for the same limited funding opportunities, and often offer duplicative services. There is a general lack of communication among the various groups in the City which impedes the efficient delivery of services in a coordinated fashion. Providers in the City need to consider more pro-active collaboration or consolidation to eliminate the duplication of services and to align resources and effort to have greater impact in the communities they serve. In an effort to facilitate collaboration, the Division of Community Development will be building a centralized, searchable database of service providers in the City, the services offered, and the clients served.

Additionally, with a greater emphasis on requiring full compliance with all local, state, and federal rules, and an increased demand for grant recipients to demonstrate outcomes, as opposed to strictly outputs, the City believes that funds invested in program will not only have an impact, but that these efforts will also raise the capacity and effectiveness of organizations that adapt to these new demands.

Through ongoing dialogue with subrecipients, proactive outreach of other community organizations, technical assistance and capacity building workshops, and through regular focus groups and interviews, the City will assist in expanding and enhancing the existing institutional delivery system. As Federal funding continues to decrease, the City will become ever more focused on measuring outcomes and

analyzing the return on its investment of Federal dollars.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

The City will host regular focus groups and working sessions with agencies, organizations, and providers to better coordinate programming and align resources to create a holistic and targeted offering of services that account for the myriad needs found in particular neighborhoods. By working in partnership with locally-based providers and community development organizations, the City can actively promote the coordination of services. With the ongoing reduction in resources from the Federal government, the City needs to highlight efficiency and maximum value creation to deliver long-term impact in a strategic way.

### **Discussion:**

The Division of Community Development, with active support of the Mayor's Office and the City Council, has sought to change the nature of CDBG investments away from a large number of small dollar grants of marginal and diminishing value to a smaller number of larger grants to allow for more transformational place-based projects and strategic programs. As the resources allocated to the City continue to decrease, maintaining a commitment to progress in this area continues to grow in importance.

## Program Specific Requirements

### AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

#### Introduction:

The total level of expected resources available to the City for community development activities located in this Action Plan can be found in AP-15. With the exception of Section 108 loan repayment, delivery, and administrative costs, all CDBG funds will directly benefit low- and moderate-income Providence residents in the 2019 Program Year.

A description of program specific requirements for the HOME, HOPWA, and ESG programs, and the City's applicable policies to meet these requirements, also follows.

#### Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
<b>Total Program Income:</b>	<b>0</b>

#### Other CDBG Requirements

**HOME Investment Partnership Program (HOME)**  
**Reference 24 CFR 91.220(l)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Not applicable. The City's HOME Program and associated activities are not utilizing any forms of investment not covered by Section 92.205. All investments are identified under the 92.205 section of the regulation.

The City's HOME program requires recipient organizations to contribute at least 25 percent of the value of the HOME award as a contribution match as a condition of the award in order to satisfy HUD regulations without financial impact to the City.

In 2016, RI voters approved a \$50M bond for affordable housing and blight elimination; Providence developers will leverage these funds with City HOME dollars. In addition, it is anticipated that Providence developers will pair Low Income Housing Tax Credits, RI Housing HOME, and possibly NSP1 with City HOME on some proposed projects. Local construction financing from banks and RI Housing will also be utilized.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Providence will use a homebuyer subsidy with the Recapture method to recover HOME funds from projects that fail to meet the minimum affordability requirements. This allows an income-restricted unit to be sold and the homeowner bearing the responsibility of repayment of the HOME funds that supported the homebuyer's original purchase. The proceeds from the repayment of the HOME subsidy will go to support an additional project.

To ensure that the City recovers a reasonable amount of the HOME Program funds from the sale, transfer, foreclosure, or conveyance of a subsidized property within the minimum federally-required affordability period, the following recapture provisions will be made an express covenant of the borrower applicable to the loan:

If the mortgaged property is sold, refinanced, conveyed, assigned, leased, or otherwise transferred or if a senior lender forecloses on any senior mortgage prior to the end of the minimum federally-required affordability period as defined by 24 CFR 92.254(a)(4), the HOME Program loan assistance shall be repaid to the City of Providence, Department of Planning and Development, Division of Community Development on a net proceeds basis according to the following formula.

- Net Proceeds = Sales price minus municipal liens, minus principal owed to senior lenders, minus selling

costs;

- Homeowner Investment = Downpayment plus principal paid on first mortgage and any verifiable capital improvement investment made from the date of purchase;
- City's Investment = HOME Program assistance;
- Total Investment = Homeowner investment plus City's investment
- Amount of Net Proceeds to be returned to City upon sale prior to the end of the minimum federally-required affordability period = (City's investment / Total Investment) \* Net Proceeds

In the event of resale of a property where there is not a direct subsidy to the homebuyer, the City will employ a Resale Provision to preserve the remaining affordability period to ensure the housing is retained for occupancy for low-income households. The Resale Provision requires that if the owner of an income-restricted property sells, conveys, or transfers his/her ownership interest in the property prior to the end of the minimum federally-required affordability period, the sale, conveyance, or transfer shall only be to an eligible, income-qualified purchaser. Other restrictions concerning notice of sale, maximum resale price, and marketing of affordable unit(s) shall apply and are fully detailed in the City's Resale Provision (see following section).

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

All property acquired with HOME funds is subject to a period of affordability, which is safeguarded by the appropriate legal instrument (whether it be a deed restriction, land covenant, or lien) and resale or recapture provision.

As outlined above, the City employs Recapture Provisions when direct subsidy is provided to a homebuyer. Resale is employed in the event an assisted property is acquired without direct subsidy to the buyer.

In the event of resale of a property where there is not a direct subsidy to the homebuyer, the City uses a Resale Provision to preserve the remaining affordability period to ensure the housing is retained for occupancy for low-income households. The Resale Provision requires that if the owner of an income-restricted property sells, conveys, or transfers his/her ownership interest in the property prior to the end of the minimum federally-required affordability period, the sale, conveyance, or transfer shall only be to an eligible, income-qualified purchaser. Other restrictions concerning notice of sale, maximum resale price, and marketing of affordable unit(s) shall apply and are fully detailed in the City's Resale Provision:

*During the period of affordability prescribed by covenant, for any subsequent sale the property may only be sold to a household properly certified by the City as eligible under the income limits as established by HUD and in effect at the time of sale. In addition, the property must be affordable to a reasonable range of households qualifying as eligible under the HUD income limits. Housing remains*

*affordable if the subsequent purchaser's monthly payments of principal, interest, taxes and insurance do not exceed 30 percent of the gross income of a household with an income falling within the range of 70 to 80 percent of median income for the area, as determined by HUD. For multi-unit properties the sale price may be adjusted to reflect the additional value of the rental unit(s). Further, in the event that a subsequent sale generates net proceeds, as defined below, those proceeds will be shared as described in the definition of "Fair Return to the Mortgagor" and the amount owing to the City will be immediately paid from closing funds.*

*"Net Sales Proceeds" means the subsequent sales price of the property minus ordinary closing costs and any repayment of a senior loan(s).*

*"Fair Return to the Mortgagor" is defined as a share of available net sales proceeds from sale of the property. If there are sufficient proceeds from the sale, the owner shall receive equity invested, adjusted for the U. S. consumer price index, plus the value of any permanent improvements to the home as approved and determined by the City. Upon sale, after these amounts are reserved for the owner, any additional equity gain shall be apportioned between the City and the homeowners in proportion to their contributions. Proceeds allocated to the City may be used, upon approval by DCD, to lower the cost of the property to the subsequent low-income purchaser, if necessary to meet the affordability requirements. If no proceeds are available to the City, HOME funds may be provided in the form of downpayment assistance or another appropriate mechanism in order to enhance affordability (subject to DCD approval and availability of funds).*

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City of Providence does not allow for the use of HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds.

### **Emergency Solutions Grant (ESG) Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

All providers funded under ESG will utilize a standardized assessment form when determining eligibility for all individuals and families presenting for CHF services and/or shelter.

The City of Providence follows the written standard policies and procedures for evaluating individuals and families eligibility for assistance under the Emergency Solutions Grant (ESG) contained within the recently updated and HUD-vetted Consolidated Homeless Fund Partnership

<http://www.planning.ri.gov/documents/shsp/CHFManualFINAL.pdf>

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Under the requirements of the HEARTH Act, the Rhode Island Continuum of Care (RI CoC) and CHF recently adopted and implemented a centralized and coordinated assessment system. State-wide coordinated assessment is a powerful tool designed to ensure that homeless persons are matched, as quickly as possible, with the intervention that will most efficiently and effectively end their homelessness. A vendor selected to serve as the Coordinating Entity is responsible for day-to-day administration, including: ensuring that information about how to access services is easily accessible to the public; training all key stakeholders; ensuring the HMIS collects needed data; reviewing assessments and issuing eligibility and referral decisions; managing case conferences, eligibility determination appeals, a centralized waitlist, and manual processes to enable participation in the by providers not participating in HMIS; and designing and executing ongoing quality control strategies.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Funds will be made available to the City of Providence by the U.S. Department of Housing and Urban Development for the Emergency Solutions Grant (ESG) Program of which up to 7.5% may be set aside for program administration.

Private non-profit organizations are eligible to apply for funding. There is no restriction on the maximum amount an applicant may request.

Applications are rated by City of Providence and CHF on the following criteria:

#### Number of clients served

1. Population served (eg. domestic violence victims, veterans, disabled persons, etc.)
2. Services provided and/or mainstream resources accessed
3. Location of shelter (taking into account other public resources allocated/available to the program)
4. Consideration will be given to program effectiveness in meeting adopted performance measures, as outlined in the application packet
5. Extra consideration will be given to those agencies which have been effective in their discharge of clients (discharged to positive outcomes).
6. Housing needs

Private non-profit organizations are eligible to apply for funding. There is no restriction on the maximum amount an applicant may request, though declining resources and competing needs will limit amount of assistance that can be provided.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City had not achieved this goal at the time of its last HUD monitoring, but continues to work with the State and CoC to ensure compliance with adequate homeless participation on allocation, review, and other committees.

5. Describe performance standards for evaluating ESG.

The City of Providence in coordination with the Consolidated Homeless Fund Partnership issues a request for proposals (RFP) that will include a set of evaluation criteria. Criteria include the following factors: project description, organizational experience; coordination and collaboration; outcomes; data collection; and a program budget that will demonstrate how they will meet the matching requirements. The RFP is made available to private nonprofit organizations through the Continuum of Care, direct emailing, and is publicized on the State's website.

The City's ESG funds, as part of the Consolidated Homeless Fund, are designed to help prevent and reduce homelessness through supportive services, emergency assistance, and housing. In order to assess progress towards these goals, agencies who are awarded funds under this grant will be held to strict performance standards and outcomes, including specific program targets grantees will be expected to meet. The Consolidated Homeless Fund reviews applicants based upon a number of performance/evaluation criteria including:

- Persons Served and Average Length of Stay
- Discharge Exits to Permanent Housing – effective Exits to Emergency Shelter – possibly ineffective-churning (though exits to more appropriate shelter might be acceptable) Income “Average Income at Entry” compared to “Average Income at Exit” Capacity HMIS Participation/Data Quality Financial Capacity - Audited Financial Records Facility Conditions - Capital Needs Assessment

## **HOPWA-Identify for making sub-wards and describe how the Housing Opportunities for Persons with AIDs are allocated**

The City of Providence issues a request for proposals (RFP) that includes a set of evaluation criteria. The criteria include the following factors; project description, organizational experience; coordination and collaboration; outcomes; data collection; and a program budget that will demonstrate how they will meet the matching requirements. The RFP is made available to private non-profit organizations through the City of Providence and is placed in the City website (Webgrants portal).

The City's HOPWA funds are designed for projects that benefit low-income persons living with HIV/AIDS and their families through supportive services, Housing, Tenant-Based Rental Assistance, Short-term Rent, Mortgage and Utility Assistance.

Private non-profit organizations are eligible to apply for funding. There is no restriction on the maximum amount an applicant may request.

Applications will be rated by City of Providence on the following criteria:

1. Number of clients served;
2. Population served
3. Services provided and/or Mainstream Resources accessed
4. Location of shelter (taking into account other public resources allocated/available to the program)
5. Consideration will be given to program effectiveness in meeting adopted performance measures, as outlined in the application packet

**PUBLIC NOTICE**

In accordance with 24 CFR 91.25(c)(5) and Subpart B of the federal regulations relative to citizen participation for Community Planning and Development Programs and applicable notices made available to those requirements through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the City of Providence is making an amendment to the 2019-2020 Annual Action Plan for the City of Providence available to the public through this notice.

**Public Comment Period and Process**

This Action Plan amendment is available for a public review and comment period beginning May 12, 2020. Citizens wishing to submit a letter comment during the public review and comment period may mail them to the following:

City of Providence, Department of Planning & Development  
American Emily Freedman, Director of Housing & Community Development  
444 Westminster Street, Suite 3A  
Providence, RI 02903

You may also email comments to: [freedman@providencejournal.com](mailto:freedman@providencejournal.com). Comments will be accepted until May 18, 2020.

Opportunity for public comment will also be provided at the May 12, 2020 meeting of the City Council Committee on Urban Redevelopment, Revival and Planning: <https://providencejournal.com/Citizen/cta/444wp>.

**Amendment:**

This is an amendment to the 2019-2020 Annual Action Plan for the City of Providence to enable the City to receive and administer the following discretionary funds: \$3,120,508 in Community Development Block Grant (CDBG-CV), \$193,465 in Housing Opportunities for Persons with AIDS, and \$1,521,038 in Emergency Solutions Grant (ESG-CV) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

Additional CDBG-CV and ESG-CV funding made available to the City by HUD through the CARES Act is set forth in this plan but will be used for the same purpose of the initial allocations indicated above which is to prevent the spread of coronavirus (COVID-19) and facilitate assistance to eligible communities, households, and persons impacted by COVID-19.

Eligible CDBG activities include, but are not limited to, assisting low- and moderate-income households with rental assistance for up to nine months, a job program, testing and other healthcare services for the uninsured, business assistance to retain employees and pay low- and moderate-income, and support of other COVID-19 response services. Eligible HOPWA activities include rental assistance, supportive services and facility operations for HOPWA-eligible households. Eligible ESG activities include street outreach, emergency shelter, homelessness prevention, rapid re-housing, Homeless Management Information System and administration.

Public notices regarding any future amendments to the Action Plan will be printed in local newspapers and posted online on the City of Providence's website: <https://www.providencejournal.com/planning/community-development/>.

Lastly, as part of this amendment, the City has revised its Citizen Participation Plan to include the 90-day comment period and to make other changes related to COVID-19. The revised Citizen Participation Plan is available for review on the website at: <https://www.providencejournal.com/planning/development/citizen-participation/>.

### ATTACHMENT A: ACTION PLAN FOR THE PBLF (FISCAL 2019 – 2020)

Providence Business Loan Fund Inc.

#### Introduction

The Providence Business Loan Fund Inc. (PBLF) exists to promote the economic revitalization of the City of Providence.

PBLF engages in several activities and strategies to further economic development in the City of Providence including but not limited to loans, technical assistance and liaison with City Departments.

#### Eligible Activities & Scope of Work

CDBG funds may be used to undertake certain activities, per the regulations of the US Department of Housing and Urban Development. These activities include:

Acquiring, constructing, reconstructing, rehabilitating, or installing commercial or industrial building, structures, and other real property equipment and improvements. These are Economic Development projects undertaken by nonprofit entities.

Assisting private for-profit businesses. Assistance may include loans, loan guarantees, and technical assistance; and

Providing economic development services in connection with otherwise eligible CDBG economic development activities

#### Projected Funding, Budget, & Schedule

PBLF activities are funded through the use of the Community Development Block Grant (CDBG). The major category of funding is income realized on an annual basis from the Revolving Loan Program

For the Fiscal Year 2019-2020 (July 1, 2019- June 30, 2020) it is estimated that PBLF will collect approximately \$1,000,000 in program income from the Revolving Loan Fund of which \$200,000 is committed to administrative costs. Additionally, \$220,000 will be directly related to program expenses.

PBLF will staff monitor repayment activity and will adjust projected spending in accordance with actual receipts.

At June 30, 2019, it is projected PBLF will have \$900,000 available for lending. With these sources of funds, PBLF has an estimated \$1.5 million available for lending in the 2019-2020 Program Year.

#### Overall Strategy

PBLF's goal for the 2019-2020 Program Year is to provide assistance for small to medium commercial businesses while increasing economic development within the City and creating jobs for low to moderate individuals.

#### Description of Planned Economic Development Activities for 2019-2020 Program Year

CDBG eligible activities will be provided appropriate loan support. PBLF staff will review applications and perform underwriting review of applicants and of proposed projects prior to recommending any commitment of loan funds.

The goal of this PBLF activity will be to provide critically needed "gap" funding to businesses that are credit worthy but unable to find traditional funding due to the nature or size of the business. PBLF will take applications from all business that fit this description in order to continue to fuel the economic growth to the City and encourage businesses to find their home within the confines of the City.

#### Projected Allocation of Funds for Program Year

PBLF's goal to provide loans to eight (8) businesses in the aggregate amount of \$1.5 million and thus creating 42 jobs within the City.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances, if such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

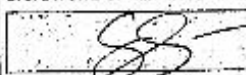

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 18 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 300, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1861-1883, and 1885-1868), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§527 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290-293 and 290 et seq.), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VII of the Civil Rights Act of 1964 (42 U.S.C. §§5611 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles I and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§ 276a to 276a-7), the Copeland Act (40 U.S.C. § 276b and 18 U.S.C. § 874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11980; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§ 1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 175(c) of the Clean Air Act of 1965, as amended (42 U.S.C. §§ 7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1980 (16 U.S.C. §§ 1271 et seq.) relative to embarking components of potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 102 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§ 409a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1986 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 101(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subaward under the award.

**CERTIFICATIONS**

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

**Affirmatively Further Fair Housing** --The jurisdiction will affirmatively further fair housing.

**Uniform Relocation Act and Anti-displacement and Relocation Plan** -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

**Anti-Lobbying** --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

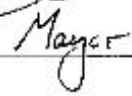

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

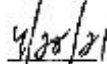

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards of all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

**Consistency with plan** --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

**Section 3** -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 135.

### Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

**Citizen Participation** -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan** -- It is following a current consolidated plan that has been approved by HUD.

**Use of Funds** -- It has complied with the following criteria:

**1. Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

**2. Overall Benefit.** The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2020 - 2022 (a period specified by the grantee of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

**3. Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

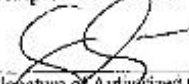

**Excessive Force** -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

**Compliance with Anti-discrimination laws** -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

**Lead-Based Paint** -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

**Compliance with laws** -- It will comply with applicable laws.

**Specific HOME Certifications**

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance** -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

**Eligible Activities and Costs** -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

**Subsidy Involving** -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

#### **Emergency Solutions Grants Certifications**

The Emergency Solutions Grants Program recipient certifies that:

**Major rehabilitation/conversion/renovation** – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

**Essential Services and Operating Costs** – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long as the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

**Renovation** – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

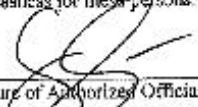

**Matching Funds** – The recipient will obtain matching amounts required under 24 CFR 576.201.

**Confidentiality** – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

**Homeless Persons Involvement** – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

**Discharge Policy** – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

**APPENDIX TO CERTIFICATIONS**

**INSTRUCTIONS CONCERNING LOBBYING CERTIFICATION:**

**Lobbying Certification**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### **INTERIM ESG-CV Certifications (NON-STATE)**

The Emergency Solutions Grants Program Recipient certifies that:

**Major rehabilitation/conversion** – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.  
**EXCEPTION:** In accordance with the CARES Act, the certifications in this paragraph do not apply with respect to CARES Act funding that is used to provide temporary emergency shelters (through leasing of existing property, temporary structures, or other means) to prevent, prepare for, and respond to coronavirus.

**Essential Services and Operating Costs** – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the jurisdiction will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the jurisdiction serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.  
**EXCEPTION:** In accordance with the CARES Act, the certification in this paragraph does not apply with respect to CARES Act funding that is used to provide temporary emergency shelters (through leasing of existing property, temporary structures, or other means) to prevent, prepare for, and respond to coronavirus.

**Renovation** – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** – The jurisdiction will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for such individuals.

**Matching Funds** – ~~The jurisdiction will obtain matching amounts required under 24 CFR 576.201.~~

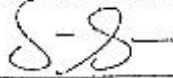

**Confidentiality** – The jurisdiction has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with

the written authorization of the person responsible for the operation of that shelter

**Homeless Persons Involvement** – To the maximum extent practicable, the jurisdiction will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the RSG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction's consolidated plan.

**Discharge Policy** – The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4140-0009  
 Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

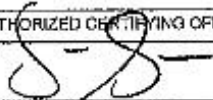

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to assure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4720-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 403, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4001 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1681S-1683), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-516), as amended relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§200-4d-3 and 200-4e-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to this application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-648) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1608 and 7324-7326) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,020 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11990; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11583 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§459a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1998 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 103(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from: (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

**CERTIFICATIONS**

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

**Affirmatively Further Fair Housing** --The jurisdiction will affirmatively further fair housing.

**Uniform Relocation Act and Anti-Displacement and Relocation Plan** --It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

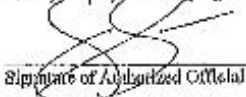

**Anti-Lobbying** --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraphs 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards of all funds (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

**Consistency with plan** --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

**Section 3** --It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701n) and implementing regulations at 24 CFR Part 183.

**Community Development Plan --** Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

**Following a Plan --** It is following a current consolidated plan that has been approved by HUD.

**Use of Funds --** It has complied with the following criteria:

**1. Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of blight or dilapidation. The Action Plan may also include CDBG-related activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

**2. Overall Benefit.** The aggregate uses of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2020 - 2022 (a period specified by the grantee of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

**3. Special Assessments.** It will not attempt to recover any capital cost of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital cost of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

**Excessive Force --** It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2003d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, I, K and O.

Compliance with Laws -- It will comply with applicable laws.

#### INTERIM ESG-CV Certifications (NON-STATE)

The Emergency Solutions Grants Program Recipient certifies that:

**Major rehabilitation/conversion** -- If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.  
**EXCEPTION:** In accordance with the CARES Act, the certifications in this paragraph do not apply with respect to CARES Act funding that is used to provide temporary emergency shelters (through leasing of existing property, temporary structures, or other means) to prevent, prepare for, and respond to coronavirus.

**Essential Services and Operating Costs** -- In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the jurisdiction will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, as long as the jurisdiction serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.  
**EXCEPTION:** In accordance with the CARES Act, the certification in this paragraph does not apply with respect to CARES Act funding that is used to provide temporary emergency shelters (through leasing of existing property, temporary structures, or other means) to prevent, prepare for, and respond to coronavirus.

**Renovation** -- Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

**Supportive Services** -- The jurisdiction will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, clothing services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for such individuals.

**Matching Funds** -- The jurisdiction will obtain matching amounts required under 24 CFR 576.201.

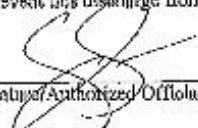

**Confidentiality** -- The jurisdiction has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with

the written authorization of the person responsible for the operation of that shelter.

**Homeless Persons Involvement** – To the maximum extent practicable, the jurisdiction will involve, through employment, voluntary services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

**Consolidated Plan** – All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction's consolidated plan.

**Discharge Policy** – The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 0010-0008  
Expiration Date: 09/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0040-0042), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET, SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

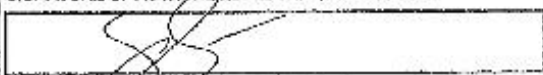

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards of agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4720-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-362) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1881-1893, and 1885-1898), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-263), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-618), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1942 (42 U.S.C. §§293 (d)-3 and 293 (e) 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§8601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Standard Form 424D (Rev. 7-87)  
Prescribed by OMB Circular A-432

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§ 1601-1608 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§ 276a to 276e-7), the Copeland Act (40 U.S.C. §§ 276c and 49 U.S.C. § 8174), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) installation of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11736; (c) protection of wetlands pursuant to EO 11988; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§ 1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1966, as amended (42 U.S.C. §§ 7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-623); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-256).
16. Will comply with the Wild and Scenic Rivers Act of 1980 (16 U.S.C. §§ 1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 100 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470), EO 11503 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§ 489a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audit of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 108(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.
