RE: ENERGY INITIATIVE Pre-approval

BA Number: 132633008

App#: 12834192

Dear Robert Hart:

National Grid has pre-approved your Energy Initiative rebate application for PROVIDENCE SCHOOL DEPT, 234 DABOLL ST, PROVIDENCE, RI. After a review of your application and a pre-installation survey of your facility, we have determined that your project will qualify for rebate payments from National Grid that will total \$53,020.00 if installed as planned.

Please note that National Grid 's rebate payment for this project is subject to numerous Terms and Conditions which are detailed on the customer report, as well as minimum requirements document:

- ☐ applicable
☒ not applicable

(See Minimum Requirements Document dated N/A attached). These Terms and Conditions include:

1. **Project completion** - To be eligible to receive the incentives for this application, the project must be completed by Dec-31-2021.
2. **Completed Application** - The application form must be complete, and paid invoices (with itemized material and labor costs and equipment discounts) as well as other documentation for all installed measures should be attached.
3. **Post-installation Verification** - Our representatives may conduct a post-installation verification of the newly installed equipment to ensure that the installation is consistent with the application as pre-approved, represents sound engineering practices and complies with the attached Minimum Requirements Document (if applicable).
4. **Project Changes After Pre-approval** - If you decide to make a change in your project after pre-approval you must notify us prior to beginning installation. We will determine whether the proposed change will require any revision to your application or incentive as pre-approved.

Please call me if you have any questions. Thank you for your support of our programs.

Sincerely,

Jerome Drummond
