### **Staff Report: Waterman Street Restriping –Wayland (For Action)**

*Presented at May 18, 2016 BPAC meeting*

#### **Project Description**

The City of Providence intends to restripe Waterman Street between Butler Avenue and the Henderson Bridge. This restriping will include the relocation of on street parking from the south side to the north side of Waterman and installation a crosswalk near the ramp to the Henderson Bridge. DPW seeks comment from the BPAC regarding the preliminary plans.

#### **Staff Recommendations to BPAC**

After review of the documents submitted for review by the BPAC, staff makes the following recommendations:

- The City should consider installing a stop sign prior to the new crosswalk at the base of the Henderson Bridge in order to improve the safety of pedestrians crossing the street and reduce the speed of traffic.
