Subject: Public comment opposing Use Variance at 338 Allens Avenue for Narragansett Improvement Co. (Applicant) and Cumberland Farms (Owner)
Date: Tuesday, October 12, 2021 4:45:08 PM

Dear members of the City of Providence Zoning Board of Review,

I am Daria Phoebe Brashear from Federal Hill, Providence, and I offer here comments opposing the application from Narragansett Improvement Co. and Cumberland Farms for a use variance pursuant to Sections 900(b), 901, and 1200(b) of the Providence Zoning Ordinance, to use the property for non-waterfront dependent Materials Processing and storage of concrete, stone, aggregate and asphalt.

The use of this land as a dumping ground for raw materials is not consistent with the city's Climate Justice Plan and does not offer benefit to residents of the adjoining area.

Please reject this application for use variance, and require the applicants clean up their dumping ground.

Thank you
