Subject: [EXTERNAL] Public comment Special Use Permit 91 Hope Street Gregory's Optical
Date: Friday, December 2, 2022 3:54:10 PM

Hello,

I own 2 properties within 200 feet of 91 Hope Street: 18 Dove Street, and 87 John Street, both of which are single family homes that I have invested into significantly. I am supportive of the special use permit to grant the use of the property as Gergory's Optical. Gregory's has been a fixture business in the neighborhood for years, and we are lucky to have them moving to 91 Hope Street.

Thank you,

Ian Barnacle
