

# Great Streets Start With You!

The **#GreatStreetsPVD** Initiative is based on one big idea: every street in Providence should be safe, clean, healthy, inclusive, and vibrant. You know our streets better than anyone else and we need your feedback. **Join us in March at a public workshop and tell us where traffic calming, safety improvements for people walking and riding bicycles, trail connections, and streetscape improvements are needed.**

# ¡Calles Magníficas Empiezan Con Usted!

La iniciativa **#GreatStreetsPVD** está basado en una grande idea; cada calle en Providence debería ser segura, limpia, saludable, inclusiva y vibrante. Usted conoce nuestras calles mejor que cualquier persona y necesitamos sus comentarios. **Únete a nosotros en marzo en un taller público y díganos donde se necesita calmar el tráfico, mejoras de seguridad para personas caminando y corriendo bicicletas, conexiones de senderos, y mejoras al paisaje urbano.**
