## Specifications for Scooter Parking Areas

---

All scooter parking areas shall be sited by staff at the City of Providence. Locations shall be communicated in writing to the operator for installation upon permit approval. Parking areas shall be:

- Painted boxes 3.5ft x 10ft
- Lines shall be white and 4 inches wide
- In the middle of the boxes, the attached decal with a diameter of 2 ft shall be adhered to the ground.
- No other markings shall be placed in or around the boxes by the operator without prior written approval from the City.

The decal design below will be provided to operators in vector format upon permit approval.
