PROVIDENCE FIRE DEPARTMENT

2019 ANNUAL REPORT

STEVEN M. PARÉ Commissioner of Public Safety Acting Chief of Department

JORGE O. ELORZA Mayor

Department of Public Safety, Fire Department "Building Pride in Providence"

Welcome to the Providence Fire Department:

The Providence Fire Department is the second oldest continuously operating professional fire department in the country. The Department is a full-service fire and emergency medical service agency that provides basic and advanced life support, fire prevention, fire suppression, technical rescue, and hazardous material response. In addition, the Department conducts arson investigations and building plan reviews, enforces state and local fire and life safety codes, and administers public fire education programs.

In 2019, the Providence Fire Department consisted of 7 Advanced Life Support Rescue Companies, 12 Engine Companies, 7 Ladder Companies, and 1 Special Hazard Unit, all strategically located in Providence neighborhoods. The Department is equipped to respond to all fire, medical emergency, natural disaster, hazmat, and terroristic events that occur within Providence and its surrounding communities.

On behalf of the Providence Fire Department, I present to you the Department's 2019 Annual Report that highlights the Department's many accomplishments, fire and emergency medical calls for service, trainings, and fire prevention activities. This report is a testament to the men and women who proudly serve as Providence Firefighters.

I want to extend my sincere thanks and appreciation to every sworn and civilian member of the Providence Fire Department for their outstanding work in keeping the citizens of Rhode Island's capital city safe.

Sincerely yours,

Steven M. Paré

Commissioner of Public Safety

Acting Chief of Department

Providence Fire Department

2019 Annual Report

Established in 1854, the Providence Fire Department is the second oldest continuously operating professional fire department in the country. The Department is a full-service fire and emergency medical service agency that provides basic and advanced life support, fire prevention, fire suppression, technical rescue, and hazardous material response. In addition, the Department conducts arson investigations and building plan reviews, enforces state and local fire and life safety codes, and administers public fire education programs.

Accomplishments for 2019

In 2019, the Providence Fire Department responded to 45,353 total calls for service. Of the total calls, 35,371 or 78 % were emergency medical services related. The calls are composed of 26,740 advanced life support and 8,631 basic life support calls for service. In addition, the Fire Prevention Bureau's Arson Squad conducted 318 fire investigations. As always, Providence Firefighters answered calls with professionalism, compassion, and true to our mission to protect life and all property.

The following is a list of accomplishments that have been achieved through the dedication and hard work of all the members of the Providence Fire Department:

- The Department completed training members in NFPA 1521, 1041, 1021 pro-board classes and IAFF peer fitness training class. This was accomplished through a 2017 Assistance to Firefighter (AFG) grant.
- The Department received a 2018 Assistance to Firefighters (AFG) grant in the amount of \$750,000 for the purchase of a new heavy rescue vehicle.
- The Department received a grant from FM Global in the amount of \$4,304 for the purchase of 8
 I pads with accessories to be utilized by the department Chiefs for command and control of fires
 and tracking of daily scheduling and personnel accountability.
- The Fire Prevention Bureau received a grant from The Hartford Insurance Company and its Junior Fire Marshall program in the amount of \$10,000 to be used in combination with the Providence Public School Department to purchase smoke detectors for those neighborhoods in within the City with the greatest number of residential fires.
- The EMS division received a grant from Fire House subs for \$20,588.24 to be utilized for the purchase of 8 video Laryngoscopes and accessories to aid in the intubating of patients in Cardiac arrest.

- The department has partnered with the Lifespan simulation lab for training all companies
 focusing tasks primarily associated with cardiac arrest and intubation with video laryngoscopes
 and confirming with capnography. Through a sponsored a grant with the Sim Lab this training
 will continue for another four years.
- The Department and EMS division is participating in a Mobile Integrated Health (MIH) program designed to divert BLS Calls from our ALS units and from hospital emergency rooms.
- The Department began a Narcan leave behind program in conjunction with the Healthy Communities office in a continuing effort to battle the opioid epidemic. Narcan kits were provided to all our companies to carry and distribute in the hopes of keeping those at risk alive until they access recovery.
- Through a partnership with PVD Health works and the Providence Police Department, the first PVD 1st Responder summer program for high school aged kids was held. This program was used to introduce young adults to some of what the Providence Fire and Police do daily.
- Completed the restructuring of the Haz-Mat team and created a Haz-Mat assessment vehicle, HM-1.
- A major multi-agency Haz-Mat exercise was held in the city of Providence on November 15, 2019.
- Through a joint operation with Providence Police Department four additional fire companies were equipped and trained in active shooter and terrorist-based responses.
- The Department purchased gas meters for all ladder trucks and the Special Hazards. Members were trained in the use of these new meters.
- The Department's Employee Assistance Program (EAP) was expanded to include more members as Peer support. The EAP members attended trainings in San Antonio, New Hampshire and a Critical Incident Stress Debriefing (CISD) class given in Providence.
- Completed "Trench Rescue" Technical Rescue training.
- The Department created an EMS bicycle detail program to include 6 bicycles fully equipped that
 are used on details for quicker access to people experiencing medical emergencies during
 crowded outdoor events in the city. An EMS bicycle training has been created for members who
 wish to participate.
- The Department fully trained all Fire alarm dispatchers in Cardiopulmonary Resuscitation (CPR).

Providence Fire Department Fire Prevention Division

2019 Annual Report

STEVEN M. PARE Commissioner of Public Safety Acting Chief of Department JORGE O. ELORZA Mayor

Commissioner of Public Safety Acting Chief of Department

> Capt. Andrew Went Fire Prevention Captain

JORGE 0. ELORZA Mayor

Fire Prevention Bureau

"Smoke Detectors Save Lives"

The Fire Prevention Bureau is a division of the Providence Fire Department. The primary responsibility of the Fire Prevention Bureau is to promote fire prevention and awareness which is essential to the department's overall mission. Some of the core functions of the Fire Prevention Bureau include plan review, code enforcement and inspections, public education, and fire investigations. All inspectors, plan reviewers, and investigators in the division are licensed as Assistant Deputy State Fire Marshals in order to enforce the code. In February 2019, the state adopted a new Fire Safety Code based on the 2015 editions of NFPA 1 and 101.

Plan Review

The Fire Prevention Bureau conducts plan reviews for new construction and renovation to ensure compliance with the Rhode Island Fire and Life Safety Codes, including fire rated construction, egress features, emergency lighting, and fire alarm and sprinkler systems. Throughout construction, Fire Prevention Bureau personnel make on-site inspections to ensure that as-built conditions reflect what was approved during the plan review process. Upon completion, life safety and fire alarm inspectors participate in issuance of certificates of occupancy. In 2019, several large multi-year projects were closed out, including Homewood Suites Providence Downtown, Residence Inn Providence Downtown, Riverhouse Apartments, Station Row Apartments, Sea3 Propane, a Rhode Island School of Design dormitory, Amazon Fulfillment Center, and Gotham Greens.

The total amount collected from residential and commercial plan review and tent permits in 2019 was \$777,879.87

Fire and Life Safety Code Enforcement and Inspections

The Rhode Island Fire and Life Safety Codes require that certain occupancies be inspected on an annual basis. It places particular emphasis on the safe operation of certain occupancies, including nightclubs, places of assembly, schools, and apartment buildings. Additionally, the Rhode Island Life Safety Code requires all one, two and three-family residential properties to be inspected for smoke and carbon monoxide detection prior to their sale. The Fire Prevention Bureau also performs inspections at the request of the Providence Board of Licenses to ensure that establishments licensed for operation by the City are in compliance with the Fire and Life Safety Codes.

The Fire Prevention Bureau receives numerous complaints every year about potentially unsafe conditions and fire code violations. Each of these complaints is followed up on by a Fire Inspector, and sometimes involves coordination with other officials from the City's Code Enforcement Division. Mitigating complaints is crucial to preventing loss of life from fire and other hazards.

In 2019 Fire Prevention Division conducted 2,379 residential smoke and carbon monoxide inspections. 318 additional inspections conducted for various licenses such as food, liquor, motor vehicle repair, entertainment, auto repair and holiday vending.

Fire Investigation

Providence Fire and Arson Investigators conducted 318 cause-and-origin investigations in 2019. Of these, 172 were building fires, 96 were vehicle fires and 50 were miscellaneous fire incidents that included electrical problems, boiler

"Smoke Detectors Save Lives"

malfunctions, outside fires, and 2 boat fires in drydock. By occupancy type, fires occurred in 47 residential one and two family, 66 multifamily, 27 highrise, 31 commercial, 7 educational, 1 assembly buildings.

The Department's Arson Squad assists in the investigation of multi-alarm fires, fires of suspected incendiary origin, and fires involving burn injuries or death. In 2019, there were 13 burn injuries to citizens and 2 fire related civilian deaths in Providence.

The Arson Squad maintains a relationship with Providence Police, the State Fire Marshal's office, local offices of the FBI and AFT, along with fire investigators in the surrounding cities and towns. To help further enhance the squad's investigation capabilities, an accelerant detection canine, K9 Wizard, was obtained through the State Farm Arson Dog Program in 2019.

Public Education

The Providence Fire Department participated in a wide range of formal public education and outreach activities in 2019. It is the mission to educate our community along the entire lifespan about fire safety, healthy living and fire prevention. Education was presented through daycares, high-rises and apartment buildings, private and Public schools, community organizations as well as special events. At these events, members of the Fire Prevention Bureau distributed various educational materials, coloring books, and other fire safety messages. Fire apparatus were sent to numerous Touch-A-Truck events.

Free smoke and carbon monoxide alarms are available for distribution to those in need throughout the community from the Fire Prevention Bureau. In 2019, a \$20,000 grant was given to the Providence Fire Department from the Hartford Insurance Company to conduct an outreach program in collaboration with the Providence Schools. Building fire records were evaluated to conduct a risk assessment of neighborhoods served by the elementary schools, and smoke alarms were obtained and distributed to school children in the areas found to be at highest risk.

Special Events and Fire Details

The Fire Prevention Division participated in review and approval for permits for 224 special events, to which an estimated 600,000 people attended in 2019. Some of the larger events included PVD Fest, Pride, July 4th fireworks, Waterfires, events at the colleges, festivals on Atwells Avenue, Wickenden Street, and Hope Street, and First Night. Some of our participation included reviewing the events to ensure emergency vehicle access, fire code compliance, safe egress and crowd sizes, operational checks of food trucks and tents, oversight of fireworks and flame effects. In 2019, firefighters and alarm technicians covered approximately 2400 details.

PROVIDENCE FIRE DEPARTMENT DIVISION OF TRAINING

2019 ANNUAL REPORT

2019 Providence Fire Department Division of Training Activity Report

January:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Trained Instructors for EVOC Training
- EVOC Training Materials Received
- Oversaw Ice Rescue Drills
- Held meeting for 1521, 1021 and 1041Training with State Fire Academy
- Obtained pricing for 1521 Training Books
- Contacted Department of Health for Radiological Training
- Sent new test information to Testing Company
- Classroom EVOC Training began
- January Monthly Training Complied and Sent to Members

February:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- GPM Discharge Test All Companies
- EVOC Classroom Training
- Announcement of 1521 Class
- 1521 Books Received
- Rescue I.C. Agenda Sent
- Coordinated information for Relocation of DOT
- 1521 Class 1 and 2 Began
- Oversee reprogramming of Laptops
- Rescue Officers School Begins
- Booked Safety Complex for Upcoming Half Point School
- February Monthly Training Complied and Sent to Members

March:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Rescue Officers School Continues
- Meeting for AMTRAK Half Point School
- EVOC Classroom Continued
- Half Point School Announced (AMTRAK)
- March Monthly Training Complied and Sent to members
- Meeting with State Fire Training Academy
- Register Members for Half Point School
- Fire Captain's Test Announced
- Attended Sprinkler Training at Johnson Control
- Received Training Books for 1021 & 1041 Classes
- March Monthly Training Complied and Sent to Members

April:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Research E-Books prices
- Compile List of Officers to Teach Acting Officer School
- Half Point School for all Groups
- EVOC Driving Course set up
- Meeting with Chiefs for upcoming trainings (Atwood St)
- Requested 1041 & 1021 Book quote from IFSTA
- Acting Officer School Begins (All Groups)
- 1021 Class Begins for classes run from April 15 to Oct 30
- CPR Training Begins for Fire Alarm Personnel (Continues all month for all BOC Members)
- EVOC Drivers Training Begins At Windmill Street School
- Acquired Stop Signs for the EVOC Drivers Training Course
- Forestry Notified to Cut Trees in the Way At Windmill St. for EVOC Course (Forestry On Scene Right of Way and Took Care of Dangerous Situation)
- Placed New Fit Test Machine In-service
- Requested 26 Captains Tests
- Attended Autism Training
- Conducted CPR Refresher to 51st Academy Members
- April Monthly Training Complied and Sent to Members

May:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- EVOC Driver Training Continues
- CPR Refresher for 51st Academy Continues
- 1021 Class Continues
- National Grid Walkthrough
- 1021 Exam
- Mask Fit Begins
- Captains Tests Received
- Captains Test Administered
- May Monthly Training Complied and Sent to Members

June:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- EVOC Drivers Training Continues
- 1021 Class Continues
- Fire Chiefs Training Begins
- EMS Bike Training Begins
- Mask Fit Test Continues
- Received New Mask Fit Adaptor from OHD Industries
- Foam Drills Begins (All Companies)
- Trench Rescue Training Begins
- EMT-C School Announced
- Consolidated Lap Top Computer programs
- Pricing for Fire Simulator for Computers
- Move Lockers and Equipment from Fire Academy (Niantic Ave)
- June Monthly Training Complied and Sent to Members

July:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Received books for 1041 Training
- EVOC Drivers Training Continues
- Trench Rescue Training Continues
- Haz-Mat Tech Training
- Atwood Street Training Begins (Ladder Roof Operations, Line Placement)
- July Monthly Training Complied and Sent to Members

August:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Atwood Street Training Continues
- Haz-Mat Tech Training Continues
- 1021 Class Continues
- 1041 Class Begins
- Repaired Smoke Machine for Atwood Street Training
- Received Helmet Parts to Repair Fire Helmets
- Battalion Chief's Test Announced
- Testing Company Notified for Battalion Test
- August Monthly Training Complied and Sent to Members (including Haz Mat Operations Refresher

September:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Atwood Street Training Continues
- 1021 Class Continues
- 1041 Class Continues
- Haz Mat Tech Training Continues
- Walkthrough 100 Sabin St.
- Half Point School Makeup
- CPR Refresher Training Begins
- Half Point School Certificates Received and Distributed
- September Monthly Training Complied and Sent to Members

October:

- Probationary Evaluations for 52nd Academy Received
- Training Reports for all Companies Received
- Atwood Street Training Continues
- 1021 Class Continues
- 1041 Class Continues
- CPR Refresher Continues
- Haz Mat Tech Training Continues
- Hose Testing Begins
- Request for Fire Lieutenants Tests from Testing Company
- October Monthly Training Complied and Sent to Members

November:

- Probationary Evaluations for 52nd Academy Received (Final)
- Training Reports for all Companies Received
- Atwood Street Training Continues
- Host Testing Continues
- Haz Mat Tech Training Continues
- Contact Lion to arrange demonstration for training equipment
- Mental Health First Aid Training
- November Monthly Training Complied and Sent to Members

December:

- Training Reports for all Companies Received
- Atwood Street Training Continues
- Fire Lieutenant's Test
- CISM Training
- Peer Fitness Training
- EMS SIMS Lab Training
- Haz Mat training
- December Monthly Training Complied and Sent to Members
