Important Questions	Answers	Why this Matters:
<b>What is the overall deductible?</b>	For In Network providers <b>\$200</b> for an individual plan / <b>\$200</b> per member (maximum of 3 members) for a family plan. For Out-of-Network providers <b>\$200</b> for an individual plan / <b>\$200</b> per member (maximum of 3 members) for a family plan combined with in-network deductible.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. Doesn't apply to services with a fixed dollar copay, diagnostic testing, rehabilitative and habilitative services, home health care services and outpatient services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
<b>Are there other deductibles for specific services?</b>	No	You don't have to meet deductible for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	For Out-of-Network providers <b>\$2000</b> / <b>\$2000</b> per member (maximum of 3 members) for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family out-of-pocket limit has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, balance-billed charges, health care this plan doesn't cover, fixed dollar copays, deductible, infertility services, rehabilitative and habilitative services and durable medical equipment.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.BCBSRI.com">www.BCBSRI.com</a> or call 1-800-639-2227 or (401) 459-5000 for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No	You can see the <u>specialist</u> you choose without a referral.

- All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
