This plan is not available to individuals who work enough hours to qualify to enroll in the employer health plans offered to active employees by the employer or union offering this plan.

If you are a member of a Medicare Advantage Plan (like an HMO or PPO), you may already have prescription drug coverage as part of your Medicare Advantage plan. Read the information that your Medicare Advantage plan sends you and if you have questions, contact your Medicare Advantage plan.

If you currently have health coverage from another employer or union, joining Blue MedicareRx could affect your employer or union health benefits. If you have health coverage from an employer or union, joining Blue MedicareRx may change how your current coverage works. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there is no information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Step 7: Application Agreement
Important: Read this information before signing in Section 8 below.

By completing this enrollment application, I agree to the following: Blue Medicare Rx is a Medicare Part D drug plan and has a contract with the Federal government. I understand that this prescription drug coverage is in addition to my coverage under Medicare; therefore, I will need to keep my Medicare coverage. It is my responsibility to inform Blue MedicareRx of any prescription drug coverage that I have or may get in the future. I can only be in one Medicare prescription drug plan at a time. If I am currently in a Medicare prescription drug plan, my enrollment in Blue MedicareRx will end my enrollment in my current plan. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan only at certain times of the year and under certain special circumstances by sending a request to my former employer.

Blue MedicareRx serves a specific service area. If I move out of the area that Blue MedicareRx serves, I need to notify the plan so I can disenroll and find a new plan in my new area. I understand that I must use network pharmacies except in an emergency when I cannot reasonably use Blue MedicareRx network pharmacies. Once I am a member of Blue MedicareRx, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Blue MedicareRx when I get it to know which rules I must follow to get coverage.

I understand that if I leave this plan and do not have or obtain other Medicare prescription drug coverage or creditable coverage (as good as Medicare's), I may have to pay a late enrollment penalty in addition to my premium for Medicare prescription drug coverage in the future.

Step 8: Signature

I understand that my signature below (or the signature of the person authorized to act on my behalf under the laws of the State where I reside) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request by Blue MedicareRx or by Medicare.
