Adaptation of Standards & Guidelines for the Power-Cooke Street local historic district

A motion should be made stating that the Commission's *Standards & Guidelines for the Armory, Broadway, College Hill, North Elmwood, Providence Landmarks District-Residential, South Elmwood and Stimson Avenue Districts* be renamed to the *Standards & Guidelines for the Armory, Broadway, College Hill, North Elmwood, Providence Landmarks District-Residential, Power-Cooke Streets, South Elmwood and Stimson Avenue Districts*. The newly adopted landmark zoning passed by the City Council and signed by the Mayor shall fall under these Standards & Guidelines, with all of the newly designated properties to be located in the newly formed Power-Cooke Streets local historic district, with the exception of 6 Cooke St and 125 Hope Street, which are contiguous to the College Hill local historic district and shall therefore be located within that district.
