SUPPLEMENTAL BID FORM

LOCUST GROVE CEMETERY IMPROVEMENTS

BASE BID:

Locust Grove Cemetery is situated at the intersections of Potters Avenue and Melrose Street in the Elmwood neighborhood of Providence, Rhode Island. The Base Bid scope of work for this project shall include, but not be limited to the following: Furnish and install temporary tree and plant protection and erosion control. Remove existing granite gate posts at Elmwood Avenue entrance and stockpile. Remove steel vehicular gates and stockpile. Remove and dispose existing bituminous concrete paving and base and furnish and install new bituminous concrete and base. Furnish and install new Woodbury grey granite posts, pedestrian, and vehicular gates, and a gateway arch with accent lighting to the main entrance at Elmwood Avenue. Furnish and install signage to the new granite posts. Furnish and install brick and granite paving at the entrance. Furnish and install a trash receptacle on concrete base. Furnish and install two trees. Loam and seed all disturbed areas.

In addition to stating the Total Base Bid, The Bidder shall state Unit Prices for related work listed under each bid item which represents the work items included in the Total Base Bid. The Unit Prices are quoted for computing adjustments to the Base Bid prior to Contract award, as well as during the course of construction, based upon extra work ordered by the City or for work countermanded, reduced or omitted by the City in order to stay within the Project budget.

Base Bid Items and Unit prices are to be Completed prices to be added or deducted on the basis of quantities of work involved, for each item in place in the unit indicated.
