Include resumes and a description of responsibilities of key staff.

Provide resumes or an overview of the experience of consultants expected to work on this project, and short description of the role they will play.

A response which does not provide the information and documentation outlined above may be deemed nonresponsive and therefore rejected. Failure to answer any question, to complete any form, or to provide the documentation required will be deemed non-responsive and result in an automatic rejection of the response unless PW determines that such failure constitutes a minor informality.

- B. **QUESTIONS AND CLARIFICATIONS:** Any questions or requests for clarification must be submitted and emailed to [tonya@provwater.com](mailto:tonya@provwater.com).

The applicants chosen for interviews will be notified, either by email and/or telephone, of the date, time and place for their interviews and any other pertinent information related thereto.

Within a reasonable period of time after the last interview, PW will forward its recommendation for award to the Board of Contract and Supply who may accept or reject the recommendation.
