Questions/Clarifications:

1. **Question:** This is a design build RFP, correct? You are wanting to receive pricing for design and construction. The construction will not go out to bid, is that correct?

Answer: *Correct, this is a design/build project. Please provide pricing for both the design and construction of this project. The construction of this project will not be put out to bid.*

2. **Question:** As a specialty project such as Skateparks, often a GC license is not required. Will the City of Providence require a GC license?

Answer: *The bidder will need to contact the authority with jurisdiction over the issuance of licenses and permits to determine if a General Contracting License will be required for this project.*

3. **Question:** Is there a timeline that the city is looking for the Skatepark to be completed? Design and construction.

Answer: *Winter/Spring 2023 for the design, with construction to take place during the summer of 2023*
