ADDENDUM

MENTAL HEALTH FIRST AID TRAINING FOR ADULTS

1. What is the target number of people to serve? And target audience?

We intentionally omitted a target number in hopes that proposal submissions would include an amount based on cost of service. If your organization plans to submit a proposal, please feel free to include a number that fits your budget request.

The target audience of this work is Providence community members, community organizations and all those interested in being trained in Mental Health First Aid.
