The Contractor shall furnish the following services, labor, equipment, facilities, and materials for towing or towing related services for Disabled City vehicles:

I. CALLS FOR SERVICE

Services are to be rendered only upon the request of a Providence police officer, the City's Fleet Manager or an authorized city designee. The Contractor upon notification shall immediately send a tow truck(s) to the designated location. At the direction of a police officer or city designee at the scene, the Contractor shall remove the disabled vehicle or vehicles from the scene directly to either the Contractor's lot or another location as specified by the officer or City designee.

The Contractor shall consider calls from the City as having priority over requests for towing services from other parties. The Contractor shall furnish the City with the names of all other agencies with which the towing Contractor has a towing contract or agreement during the term of the Contractor's service agreement with the City and shall notify the City when any other contracts or agreements are entered into by the Contractor during that term.

II. RESPONSE TIME FOR DISPOSABLE CITY VEHICLES

1. For services occurring within the City limits, the necessary personnel and equipment shall arrive on site within thirty (30) minutes of City's request for service.
2. For services occurring outside of City limits, the necessary personnel and equipment shall arrive on site within sixty (60) minutes of City's request for service.
3. In the event the Contractor is unable to arrive on scene within the stated times, the Contractor must notify the City within 15 minutes of tow request from the City. With advance approval by the City, the response time may be reasonably altered due to adverse road, traffic and/or weather conditions.
4. In the event that the Contractor fails to respond within the required response time, the City reserves the right to request service from another provider with no penalty or obligation to the Contractor.
5. If service has been requested from another provider, and the Contractor arrives on-site prior to the arrival of the other service provider, the City, at its sole discretion, will determine if the Contractor may or may not provide service.
6. The Contractor may be responsible for any costs incurred by another towing service provider contacted by the City as a result of the Contractor's failure to meet the response time requirement.

III. HOURS OF SERVICE

The City will not be responsible for any downtime during a tow due to the tow vehicle being out of service or due to mechanical failure. Additionally, if the vendor is notified of a tow during normal business hours and cannot respond during that time, the vendor shall only charge the day service rate.
2. Charges due and owing from the City shall be submitted monthly to the address indicated below. Such invoices shall have an itemized billing of the initial service charges, special charges, storage charges, disposal fees, and copies of invoices for disposal fees, as appropriate. 1. The terms “you” and “your” contained herein refer to the person or entity that is a party to the agreement with the City of Providence (“the City”) and to such person’s or entity’s employees, officers, and agents.
2. The Request For Proposals (“RFP”) and these Standard Terms and Conditions together constitute the entire agreement of the parties (“the Agreement”) with regard to any and all matters. By your submission of a bid proposal or response to the City’s RFP, you accept these Standard Terms & Conditions and agree that they supersede any conflicting provisions provided by bid or in any terms and conditions contained or linked within a bid and/or response. Changes in the terms and conditions of the Agreement, or the scope of work thereunder, may only be made by a writing signed by the parties.
3. You are an independent contractor and in no way does this Agreement render you an employee or agent of the City or entitle you to fringe benefits, workers’ compensation, pension obligations, retirement or any other employment benefits. The City shall not deduct federal or state income taxes, social security or Medicare withholdings, or any other taxes required to be deducted by an employer, and this is your responsibility to yourself and your employees and agents.
4. You shall not assign your rights and obligations under this Agreement without the prior written consent of the City. Any assignment without prior written consent of the City shall be voidable at the election of the City. The City retains the right to refuse any and all assignments in the City’s sole and absolute discretion.
5. Invoices submitted to the City shall be payable sixty (60) days from the time of receipt by the City. Invoices shall include support documentation necessary to evidence completion of the work being invoiced. The City may request any other reasonable documentation in support of an invoice. The time for payment shall not commence, and invoices shall not be processed for payment, until you provide reasonably sufficient support documentation. In no circumstances shall the City be obligated to pay or shall you be entitled to receive interest on any overdue invoice or payment. In no circumstances shall the City be obligated to pay any costs associated with your collection of an outstanding invoice.
6. For contracts involving construction, alteration, and/or repair work, the provisions of applicable state labor law concerning payment of prevailing wage rates (R.I. Gen. Laws §§ 37-13-1 et seq., as amended) and the City’s First Source Ordinance (Providence Code of Ordinances §§ 21-91 et seq., as amended) apply.
7. With regard to any issues, claims, or controversies that may arise under this Agreement, the City shall not be required to submit to dispute resolution or mandatory/binding arbitration. Nothing prevents the parties from mutually agreeing to settle any disputes using mediation or non-binding arbitration.
8. To the fullest extent permitted by law, you shall indemnify, defend, and hold harmless the City, its employees, officers, agents, and assigns from and against any and all claims, damages, losses, allegations, demands, actions, causes of action, suits, obligations, fines, penalties, judgments, liabilities, costs and expenses, including but not limited to attorneys’ fees, of any nature whatsoever arising out of, in connection with, or resulting from the performance of the work provided in the Agreement.
9. You shall maintain throughout the term of this Agreement the insurance coverage that is required by the RFP or, if none is required in the RFP, insurance coverage that is considered in your industry to be commercially reasonable, and you agree to name the City as an additional insured on your general liability policy and on any umbrella policy you carry.
10. The City shall not subject itself to any contractual limitations on liability. The City shall have the time permitted within the applicable statute of limitations, and no less, to bring or assert any and all causes of action, suits, claims or demands the City may have arising out of, in connection with, or resulting from the performance of the work provided in the Agreement, and in no event does the City agree to limit your liability to the price of the Agreement or any other monetary limit.
11. The City may terminate this Agreement upon five (5) days’ written notice to you if you fail to observe any of the terms and conditions of this Agreement, or if the City believes your ability to perform the

require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

18. If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, in any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
