SUBJECT: Providence Community – Police Relations Act 4th Quarter Report 2022-2023

The briefing report addresses the following requirements under:

Subsection (i) Complaints received by the Office of Professional Responsibility

Ordinance 18 1/2-4(i)

C. "Complaints received by the Office of Professional Responsibility involving alleged violations of one or more provisions of this section."

On 5-4-23, a female filed a complaint stating she was pulled over because her vehicles windows are tinted, and her vehicle was searched with no explanation. OPR investigation and review of BWC revealed each claim made by the complainant was disproved. Further, the complainant did not return calls or emails from OPR.

On 5-13-23, a female filed a complaint stating her 4th amendment rights were violated during a traffic stop, and the officer violated the Racial Profiling act. Investigation and review of BWC reveals the vehicle was stopped for a traffic violation. Upon the vehicle stopping, the complainant tried to flee the stop and was detained by officers. A female officer was called to the scene to perform a pat down search of the female for officer safety.

On 5-26-23 a male filed a complaint stating he was pulled over and his car was illegally searched. Investigation reveals the vehicle operated by the complainant was the subject of several broadcasts by the Providence Communications Department. The vehicle was involved in an incident involving a firearm in the City of Boston.

On 5-30-23, a male subject filed a complaint that he was racially profiled, and his car was illegally searched. This case is still under investigation and will proceed to a formal civilian complaint hearing.
