DISCLAIMER

GIS data are for planning purposes only. It is the responsibility of the user of this data to evaluate its suitability for the intended use. Each GIS data layer was created from different sources at different scales, and the actual or relative geographic position of any feature is only as accurate as the source information. These data do not represent a legally recorded plan, deed, survey, or engineering schematic and are not intended to be used as such.

While the City makes every attempt to ensure the accuracy and completeness of the data, the City of Providence provides this data as is, with all faults. The City of Providence makes no claims, no representations and no warranties, regarding the reliability, completeness or the accuracy of the GIS data and GIS data products furnished by the City. In no event shall the City be liable for any indirect or consequential damages incurred from the use or inability to use the data. I have read and agree to this disclaimer.
