BID PACKAGE SPECIFICATIONS

INTRODUCTION AND OVERVIEW

The City of Providence (the City) is making grants available to local organizations to support efforts to reduce litter in the City. Grants of up to \$25,000 are available to organizations that perform cleaning and litter pick-up activities intended to enhance the clean-up and litter pickup throughout Providence (private properties cannot be targeted using this funding). Total funding available is \$150,000.

The City is seeking highly qualified non-profit organizations and/or independent contractors to participate in this initiative. Organizations can utilize their own employees or solicit volunteers for ongoing efforts (or a combination of both). Programs should target areas of the city that are disproportionately affected by litter and illegal dumping. Organizations that work citywide can submit multiple proposals to serve various areas of the city. The City's Department of Public Works will work with these additional supportive organizations to remove trash collected as part of these efforts and ensure it is properly disposed of. To that end, the City is soliciting vendors that have the ability, experience and willingness to collaborate to ensure a successful program. The grant program and the criteria for evaluating and prioritizing applications are designed to enhance the cleanliness of our City. Grants will be awarded on a competitive basis pursuant to this RFP.

APPLICANT ELIGIBILITY

Applicants eligible to apply for grants pursuant to this RFP include non-profit entities and/or independent contractors that are proposing projects to perform cleaning and litter pick-up intended to enhance the cleanliness of "common area" public spaces.

Applicants must demonstrate administrative capacity to manage their grant funds and comply with applicable local regulations and state fiscal requirements including, but not limited to, accounting, recordkeeping, procurement, and reporting procedures. Applicants must also demonstrate the ability to manage their project and report on progress of deliverables specified in a grant agreement.

Please be aware that it is City's policy that financial assistance shall neither directly or indirectly benefit parties whose willful action or inaction has resulted in damage to the environment. At the Director's discretion, the Department may restrict, delay, or limit funding due to the occurrence of criminal, civil enforcement actions, or compliance matters. To be eligible for grants, applicants must disclose any existing violations and compliance actions related to their proposal. This includes the issuance of any Notice of Intent to Enforce.
