

# SNOW

## WARD 8 SNOW PARKING

- During parking bans in Winter 2024, overnight parking permit holders in Ward 8 can park next to Bucklin Park and Conlan Memorial Park.
- Permit holders may park on:
  - Bucklin Street between Whitmarsh and Daboll Street.
  - Dexter Street between Waverly Street and Daboll Street.
  - Messer Street between the eastern edge of the fire dept. driveway to Kenwood Street.
  - Kenwood Street between Messer Street and Waverly Street.
  - Waverly Street between Kenwood Street and Sorrento Street.
  - Sorrento Street between Waverly Street and Union Avenue.
- Permit holders must park on the park side of Dexter, Bucklin, Messer, Kenwood, Waverly, and Sorrento Streets.
- When the parking ban is lifted, permit holders must move their cars within 8 hours or be subject to towing so the city can complete plowing.
- Parking next to fire hydrants or in front of fire stations is **STILL** forbidden during a snowstorm.
