- Links to the RFP PDF (44752)
- April 12, 2024, pre-bid Sign-In Sheet
- Presentation from the pre-bid conference
- Bid forms
- Reference contracts
- Links to RFI submissions

**Addendum #01
TO**

**Design Build (D/B) Services for Major Renovations Projects, High School
Facility**

Procurement #: #44831

RFP Link:

For your convenience, we have provided the link below which contains the Request for Proposal mentioned above.

<https://downesconstruction.sharefile.com/d-s17938b97e6514568946f9ebd8b35a58a>

Prebid sign in sheet:

Click on the following link to access the sign-in sheet from the April 12 pre-bid meeting.

<https://downesconstruction.sharefile.com/d-s2a5960911cad462d979968ab79334c7d>

Presentation from the Prebid Conference:

Please find the link below to access the presentation from the Prebid Conference held on April 12, 2024. This document provides a comprehensive breakdown of each project, including renderings and details about the Phase 4 Capital Plan: Programmatic Priorities. It also includes a high-level timeline of the Phase 4 projects, City of Providence ordinances related to apprenticeships and carbon neutrality, a review of proposal responses, and a link to request further information (RFI). We strongly encourage you to review this document thoroughly, as it contains valuable information that may assist you.

Bid Forms: <https://downesconstruction.sharefile.com/d-s16b7b22203f740519b1832fd5e0cb1a0>

Contracts: <https://downesconstruction.sharefile.com/d-s7c9bdcc128bd4f189a3aaca5ea647e03>

RFI Submission:

Below you will find two links associated with each project. The first link is a form to submit your request for information. The second link is a viewing link, which allows you to monitor the progress of your questions from submission to response. Please note that while you can view the responses as they are being processed, they are not considered official until they are issued in an addendum.

Design Build (D/B) Services for Major Renovations Projects, High School Facility: A project dedicated to overhauling a high school with significant improvements across all major systems and structures, enhancing the learning environment.
