DEPARTMENT OF PUBLIC PROPERTY
PROVIDENCE CITY HALL
25 DORRANCE ST
PROVIDENCE RI 02903

RFP Title: CIP Mounted Command Septic Replacement

Procurement #: 47987

Opening Date: 1/27/25

Addendum #: 1

Issue Date: 1/22/25

The purpose of this addendum is:

Clarification and confirmation of site conditions:

- The utilities are not sub-metered for this individual building, so usage cannot be determined.
- Awarded contractor must retain the fence and grade of the paddock above and restore any lost grass with sod.
- The bidders will be evaluated based on experience in equine environments.
- The Mounted Command Complex has a strict 5mph limit, and Roger Williams Park 15mph
- This facility is located on an island within Roger Williams Park, and is accessible only by two bridges with posted Load Limits: "8 Tons, Emergency Vehicles Single Axle 17 Tons, Tandem Axle 22 Tons, Gross 30 Tons"
- The original 1992 permit and plan is available at <https://d2xd1mp2mwtslw.cloudfront.net/9228-1601.pdf>
- The bidders will submit pricing according to the following schedule of values:

Description	Total (Lump Sum)
General Conditions	
Site Protection	
Engineering	
Filing (including fees)	
Installation
