2. The United States Supreme Court ruled in May of 2022 that where a government does not speak for itself through ordinance, policy or a vote relating to flag type, then the government cannot exclude flags based on the flag's content; *and*
3. Historically, the City has on occasion flown flags in addition to or in place of the flag of the City on the smaller Eastern Flag pole; *and*
4. It is important that City Hall, as a public building, remain inclusive and welcoming with the ability to express its official support of other nations, and to express other official, City-endorsed messages from the Mayor and/or City Council that may be appropriately accompanied by ceremonial flag-raising; *and*
5. For these expressions of official City sentiment to be clearly construed by the residents of Providence, it is also important to clearly establish and demarcate that the City's flagpoles are not intended to serve as a forum for free expression by the public; *and*

NOW, THEREFORE; I hereby order and direct the following, commencing immediately:
