Q&A Addendum #1

HHS-RFP-PVD25-132-Scaling-and-Sustaining-Safer-Use-Reducing-Overdose-and-Substance-Related-Harms-277-MT-50516

Q1: Is the City is open to proposals or partnerships focused solely on supplying drug test strips for use within the program, rather than administering the full outreach and training components?

A1: Eligible applicants are organizations or collaboratives that have the capacity to carry out the full scope of work outlined in the RFP (pg. 14 – 15).
