# **BID PACKAGE SPECIFICATIONS**

## **Overview:**

The Providence Police Department is seeking bids from certified vendors for biohazard remediation services.

Biohazard remediation is critical for public safety, legal compliance, and officer health, as it ensures the safe removal of infectious materials (blood, pathogens) from crime scenes, holding cells, patrol cars and other public safety locations.

Regular, professional decontamination of City police vehicles and holding cells is crucial. These areas, used for transporting and housing potentially injured or intoxicated individuals, can quickly become biohazard hotspots, affecting the ability to continue using these critical assets. These services will also ensure that scenes of trauma outside of City Public Safety facilities and vehicles are restored to a safe and habitable state.

## **Scope of Work**

Service Provider shall respond on scene to all service requests within 90 minutes of request from authorized City staff.

Services must be available twenty-four (24) hours a day, seven (7) days a week and 365 days per year. Constant communication is mandatory.

Successful bidder must maintain an open line of communication with the Department dispatch center on arrival, prior to departure from the scene / location.

Services include but are not limited to:

- Proper removal and decontamination of blood borne pathogens and other organisms from City vehicles, police property or physical restraints including AIDs, hepatitis, Lice, Poison oak and other contagious bacteria and viruses that pose human health risks.
- Proper removal of human bodily fluids including but not limited to blood, urine, feces, vomit, saliva, etc.
- Proper removal of associated odors.
- Proper disposal of all biohazards, contaminants, and associated materials listed above must be the responsibility of the service provider and will occur immediately following each biohazard service clean up.
- Bidder must have the capacity to remove physical hazards as a part of dispatched requests if needed. Physical hazards include objects that are of sharp or hard nature such as: glass, needles, metals, plastics, stones, wood or even bone.
- Bidder shall be able to provide removal from any area which may risk the safety of the general public.

## **Decontamination & Sanitation**

- Vendors are required to utilize applications of EPA-registered disinfectants, with multiple applications to eliminate pathogens, viruses, and bacteria from all surfaces. Methods include but are not limited to:
- Hospital grade disinfection of all work areas
- Broom sweeping or HEPA vacuum to remove debris
- Cleaning of areas with an enzyme solution to breakdown the biological matter. A final wipe down is required with a hospital grade disinfectant.

- Fentanyl or other unknown substances will be neutralized with Dahlgren, then washed down with soap and water solution to remove neutralizer.
- All debris must be contained to a biohazard waste container and disposed of properly

## **Reporting**

The Bidder will be required to communicate with Police Department's designated point person via telephone and/or email when they are on site to begin the project and when the project has been completed.

Monthly Reports may be requested by the City at any time.

## **Other Key Information:**

All responses and proposals must be submitted by the Bid closing / opening date. Once the bid deadline passes, bids will not be accepted.

**CITY OF PROVIDENCE STANDARD TERMS & CONDITIONS**

1. The terms “you” and “your” contained herein refer to the person or entity that is a party to the agreement with the City of Providence (“the City”) and to such person’s or entity’s employees, officers, and agents.
2. The Request For Proposals (“RFP”) and these Standard Terms and Conditions together constitute the entire agreement of the parties (“the Agreement”) with regard to any and all matters. By your submission of a bid proposal or response to the City’s RFP, you accept these Standard Terms & Conditions and agree that they supersede any conflicting provisions provided by bid or in any terms and conditions contained or linked within a bid and/or response. Changes in the terms and conditions of the Agreement, or the scope of work thereunder, may only be made by a writing signed by the parties.
3. You are an independent contractor and in no way does this Agreement render you an employee or agent of the City or entitle you to fringe benefits, workers’ compensation, pension obligations, retirement or any other employment benefits. The City shall not deduct federal or state income taxes, social security or Medicare withholdings, or any other taxes required to be deducted by an employer, and this is your responsibility to yourself and your employees and agents.
4. You shall not assign your rights and obligations under this Agreement without the prior written consent of the City. Any assignment without prior written consent of the City shall be voidable at the election of the City. The City retains the right to refuse any and all assignments in the City’s sole and absolute discretion.
5. Invoices submitted to the City shall be payable sixty (60) days from the time of receipt by the City. Invoices shall include support documentation necessary to evidence completion of the work being invoiced. The City may request any other reasonable documentation in support of an invoice. The time for payment shall not commence, and invoices shall not be processed for payment, until you provide reasonably sufficient support documentation. In no circumstances shall the City be obligated to pay or shall you be entitled to receive interest on any overdue invoice or payment. In no circumstances shall the City be obligated to pay any costs associated with your collection of an outstanding invoice.
6. For contracts involving construction, alteration, and/or repair work, the provisions of applicable state labor law concerning payment of prevailing wage rates (R.I. Gen. Laws §§ 37-13-1 et seq., as amended) and the City’s First Source Ordinance (Providence Code of Ordinances §§ 21-91 et seq., as amended) apply.
7. With regard to any issues, claims, or controversies that may arise under this Agreement, the City shall not be required to submit to dispute resolution or mandatory/binding arbitration. Nothing prevents the parties from mutually agreeing to settle any disputes using mediation or non-binding arbitration.
8. To the fullest extent permitted by law, you shall indemnify, defend, and hold harmless the City, its employees, officers, agents, and assigns from and against any and all claims, damages, losses, allegations, demands, actions, causes of action, suits, obligations, fines, penalties, judgments, liabilities, costs and expenses, including but not limited to attorneys’ fees, of any nature whatsoever arising out of, in connection with, or resulting from the performance of the work provided in the Agreement.
9. You shall maintain throughout the term of this Agreement the insurance coverage that is required by the RFP or, if none is required in the RFP, insurance coverage that is considered in your industry to be commercially reasonable, and you agree to name the City as an additional insured on your general liability policy and on any umbrella policy you carry.
10. The City shall not subject itself to any contractual limitations on liability. The City shall have the time permitted within the applicable statute of limitations, and no less, to bring or assert any and all causes of action, suits, claims or demands the City may have arising out of, in connection with, or resulting from the performance of the work provided in the Agreement, and in no event does the City agree to limit your liability to the price of the Agreement or any other monetary limit.
11. The City may terminate this Agreement upon five (5) days’ written notice to you if you fail to observe any of the terms and conditions of this Agreement, or if the City believes your ability to perform the

In the event of termination by the City, you shall be entitled to just and equitable compensation for any satisfactory work completed and expenses incurred up to the date of termination.

12. Written notice hereunder shall be deemed to have been duly served if delivered in person to the individual or member of the firm or entity or to an officer of the entity for whom it was intended, or if delivered at or sent by registered or certified mail to the last business address known by the party providing notice.
13. In no event shall the Agreement automatically renew or be extended without a writing signed by the parties.
14. You agree that products produced or resulting from the performance of the Agreement are the sole property of the City and may not be used by you without the express written permission of the City.
15. For any Agreement involving the sharing or exchange of data involving potentially confidential and/or personal information, you shall comply with any and all state and/or federal laws or regulations applicable to confidential and/or personal information you receive from the City, including but not limited to the Rhode Island Identity Theft Protection Act, R.I. Gen. Laws § 11-49.3-1, during the term of the Agreement. You shall implement and maintain appropriate physical, technical, and administrative security measures for the protection of, and to prevent access to, use, or disclosure of, confidential and/or personal information. In the event of a breach of such information, you shall notify the City of such breach immediately, but in no event later than twenty-four (24) hours after discovery of such breach.
16. The Agreement is governed by the laws of the State of Rhode Island. You expressly submit yourself to and agree that any and all actions arising out of, in connection with, or resulting from the performance of the Agreement or relationship between the parties shall occur solely in the venue and jurisdiction of the State of Rhode Island or the federal court located in Rhode Island.
17. The failure of the City to require performance of any provision shall not affect the City's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.
18. If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, in any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
