BID PACKAGE SPECIFICATIONS

Administration of the RENT Fund Housing Stabilization Program City of Providence – Department of Housing & Human Services (HHS)

Introduction & Background

The City of Providence Department of Housing & Human Services (HHS) shall seek to improve the lives and living conditions of the City’s low- and moderate-income residents. The Department shall support community-based strategies that build strong, vibrant, and stable neighborhoods, enhance opportunity and public health, and provide quality affordable housing throughout the City.

HHS is seeking proposals from qualified organizations to administer the RENT Fund, a pilot housing stabilization program designed to provide short-term financial assistance to prevent housing loss among low- and moderate-income residents. The affordability of Providence’s housing is a critical concern with nearly half (48%)¹ of renter households and almost a third (32.9%) of homeowners in the City cost-burdened (spending more than 30% of their income on housing). As rents and other costs have risen significantly in recent years, many low-income households are increasingly unable to absorb even short-term financial shocks. As a result, families are often forced to make difficult tradeoffs between housing, food, healthcare, and other essential needs. In this environment, temporary financial disruptions such as job loss, medical emergencies, or delayed benefits can quickly escalate into housing instability or displacement, underscoring the need for targeted, short-term interventions to prevent eviction and stabilize households.

The RENT Fund is a crisis intervention program intended to stabilize households facing temporary financial hardship. It is not designed to provide ongoing income support, but rather to bridge short-term affordability gaps and prevent displacement.

HHS anticipates launching the program on or about July 1, 2026 to run through June 30, 2027, contingent on ordinance and budget approval, with three one-year extension options.

Program Objectives

The selected respondent will administer a program that:

- Resolves short-term financial crises that create imminent risk of housing loss
- Stabilizes households facing temporary hardship
- Bridges temporary affordability gaps, preventing or forestalling eviction or foreclosure.

All assistance must be time-limited and targeted to households experiencing temporary, verifiable hardship.

Scope of Work

The selected respondent will be responsible for full program administration, including but not limited to:

A. Program Operations

- Develop and implement intake, eligibility determination, and application review processes
- Provide multilingual and accessible application support
- Verify eligibility documentation and maintain compliance records
- Ensure equitable access and prioritization

B. Financial Assistance Administration

- Administer grants not to exceed \$3,000 per household per program year
- Ensure assistance is limited to eligible uses, including:
 - Rental arrears
 - Forward rent
 - Security deposits and application fees
 - Utility arrears to prevent shut-off
 - Mortgage arrears
 - Premium costs for Rhode Island Fair Plan Insurance to prevent coverage loss
- Issue payments directly to landlords, lenders, or utility providers

¹ Rhode Island Executive Office of Housing 2025 Integrated Housing Report

C. Housing Stabilization Services

- Conduct household assessments to determine sustainability of housing
- Develop and implement stabilization plans with participants
- Provide referrals to rehousing services when current housing is unsustainable
- Require participant compliance with lease/payment obligations

D. Compliance & Reporting

- Maintain program compliance with all City requirements
- Track expenditures, demographics, and outcomes
- Submit quarterly performance and financial reports to HHS
 - Required key performance indicators (KPIs):
 - Number of households assisted
 - Household demographics
 - Housing retention outcomes
 - Assistance duration and cost per household
- Support HHS in preparation of annual reports to the City Council on aggregate KPIs above

E. Financial Controls & Risk Management

- Implement strong internal controls to prevent fraud, waste, and abuse
- Ensure audit-ready documentation and financial tracking systems

The City of Providence will:

- Process payment upon receipt of invoices
- Schedule and facilitate project management calls
- Provide technical assistance and evaluation, including but not limited to data templates, data collection tools, reporting templates, and hands-on assistance from the Department of Housing & Human Services Data & Evaluation Manager.

Eligibility Framework (Program Requirements)

The contractor must administer the program consistent with the following criteria:

- Applicants must reside within the City of Providence
- Household income must not exceed 80% of Area Median Income (AMI), with prioritization provided for households at or below 60% AMI
- Applicants must be currently housed and facing imminent risk of housing loss
- Risk must be documented (e.g., eviction notice, utility shutoff notice, foreclosure notice, or insurance cancellation notice)
- Hardship must be temporary and verifiable (e.g., job loss, rental increase, medical emergency, family disruption, delayed income or benefits)
- Households must demonstrate limited liquid assets
- Housing must comply with 110% of HUD Fair Market Rent limit, or the applicant must demonstrate an active housing search to an affordable unit.

Documented enrollment in other means-tested public assistance programs (such as SNAP) may be accepted in lieu of full income verification to reduce barriers to access and administrative burden.

Compliance with lease or other payment obligations and participation in stabilization planning shall be mandatory. Where housing is determined to be unsustainable, assistance shall be denied or limited, and efforts shall instead focus on rehousing referral.

The application process must be designed to be accessible in-person, by phone, or online, with dedicated multilingual customer service.

Program Budget

Total Pilot Program Budget: \$1,000,000

Administrative costs shall not exceed 20% of the total program budget and must include staffing, intake and eligibility determination, case management, financial controls, data tracking, reporting, and compliance.

The Department of Housing & Human Services anticipates awarding a single (1) contract for an estimated total of \$1,000,000, contingent on FY27 budget approval. The City reserves the right to:

- Award the contract in whole or in part;
- Award specific tasks or components to one or more proposers
- Negotiate scope and budget adjustments considered consistent with the intent of this RFP; or

CITY OF PROVIDENCE STANDARD TERMS & CONDITIONS

1. The terms “you” and “your” contained herein refer to the person or entity that is a party to the agreement with the City of Providence (“the City”) and to such person’s or entity’s employees, officers, and agents.
2. The Request For Proposals (“RFP”) and these Standard Terms and Conditions together constitute the entire agreement of the parties (“the Agreement”) with regard to any and all matters. By your submission of a bid proposal or response to the City’s RFP, you accept these Standard Terms & Conditions and agree that they supersede any conflicting provisions provided by bid or in any terms and conditions contained or linked within a bid and/or response. Changes in the terms and conditions of the Agreement, or the scope of work thereunder, may only be made by a writing signed by the parties.
3. You are an independent contractor and in no way does this Agreement render you an employee or agent of the City or entitle you to fringe benefits, workers’ compensation, pension obligations, retirement or any other employment benefits. The City shall not deduct federal or state income taxes, social security or Medicare withholdings, or any other taxes required to be deducted by an employer, and this is your responsibility to yourself and your employees and agents.
4. You shall not assign your rights and obligations under this Agreement without the prior written consent of the City. Any assignment without prior written consent of the City shall be voidable at the election of the City. The City retains the right to refuse any and all assignments in the City’s sole and absolute discretion.
5. Invoices submitted to the City shall be payable sixty (60) days from the time of receipt by the City. Invoices shall include support documentation necessary to evidence completion of the work being invoiced. The City may request any other reasonable documentation in support of an invoice. The time for payment shall not commence, and invoices shall not be processed for payment, until you provide reasonably sufficient support documentation. In no circumstances shall the City be obligated to pay or shall you be entitled to receive interest on any overdue invoice or payment. In no circumstances shall the City be obligated to pay any costs associated with your collection of an outstanding invoice.
6. For contracts involving construction, alteration, and/or repair work, the provisions of applicable state labor law concerning payment of prevailing wage rates (R.I. Gen. Laws §§ 37-13-1 et seq., as amended) and the City’s First Source Ordinance (Providence Code of Ordinances §§ 21-91 et seq., as amended) apply.
7. With regard to any issues, claims, or controversies that may arise under this Agreement, the City shall not be required to submit to dispute resolution or mandatory/binding arbitration. Nothing prevents the parties from mutually agreeing to settle any disputes using mediation or non-binding arbitration.
8. To the fullest extent permitted by law, you shall indemnify, defend, and hold harmless the City, its employees, officers, agents, and assigns from and against any and all claims, damages, losses, allegations, demands, actions, causes of action, suits, obligations, fines, penalties, judgments, liabilities, costs and expenses, including but not limited to attorneys’ fees, of any nature whatsoever arising out of, in connection with, or resulting from the performance of the work provided in the Agreement.
9. You shall maintain throughout the term of this Agreement the insurance coverage that is required by the RFP or, if none is required in the RFP, insurance coverage that is considered in your industry to be commercially reasonable, and you agree to name the City as an additional insured on your general liability policy and on any umbrella policy you carry.
10. The City shall not subject itself to any contractual limitations on liability. The City shall have the time permitted within the applicable statute of limitations, and no less, to bring or assert any and all causes of action, suits, claims or demands the City may have arising out of, in connection with, or resulting from the performance of the work provided in the Agreement, and in no event does the City agree to limit your liability to the price of the Agreement or any other monetary limit.
11. The City may terminate this Agreement upon five (5) days’ written notice to you if you fail to observe any of the terms and conditions of this Agreement, or if the City believes your ability to perform the

In the event of termination by the City, you shall be entitled to just and equitable compensation for any satisfactory work completed and expenses incurred up to the date of termination.
12. Written notice hereunder shall be deemed to have been duly served if delivered in person to the individual or member of the firm or entity or to an officer of the entity for whom it was intended, or if delivered at or sent by registered or certified mail to the last business address known by the party providing notice.
13. In no event shall the Agreement automatically renew or be extended without a writing signed by the parties.
14. You agree that products produced or resulting from the performance of the Agreement are the sole property of the City and may not be used by you without the express written permission of the City.
15. For any Agreement involving the sharing or exchange of data involving potentially confidential and/or personal information, you shall comply with any and all state and/or federal laws or regulations applicable to confidential and/or personal information you receive from the City, including but not limited to the Rhode Island Identity Theft Protection Act, R.I. Gen. Laws § 11-49.3-1, during the term of the Agreement. You shall implement and maintain appropriate physical, technical, and administrative security measures for the protection of, and to prevent access to, use, or disclosure of, confidential and/or personal information. In the event of a breach of such information, you shall notify the City of such breach immediately, but in no event later than twenty-four (24) hours after discovery of such breach.
16. The Agreement is governed by the laws of the State of Rhode Island. You expressly submit yourself to and agree that any and all actions arising out of, in connection with, or resulting from the performance of the Agreement or relationship between the parties shall occur solely in the venue and jurisdiction of the State of Rhode Island or the federal court located in Rhode Island.
17. The failure of the City to require performance of any provision shall not affect the City's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.
18. If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, in any extent, be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
